The New 1½ H. P. "Z" Engine successfully uses KEROSENE

THERE is much to interest every farmer in this announcement, because adding this recently perfected small size completes a line of engines—1½ H. P. to 15 H. P.—all of which successfully run on

KEROSENE

—also run on Distillate, Coal Oil, Tops or Gasoline. The larger "Z" engines always have successfully used Kerosene—now the new 1½ H. P. runs just as well, completing the most practical and efficient engine line ever offered. But you cannot know the "Z" by reading about it. Come in and see it. Let us tell you why we add our reputation to that of Fairbanks, Morse & Co. when selling a "Z" to you.

Thrilling Governor—Built-in Oscillating Magnets
