AUSTRIA IS INDIFFERENT

PEOPLE DON'T CARE WHETHER THERE IS ANY MODIFICATION OF THE GERMAN TREATY OR NOT—INDEMNITY MAY BE 25 BILLIONS

Dateless Dispatch by Associated Press—Austria's attitude is not officially known, but Vienna advises today report dissatisfaction. The people, however, seem apathetic about making any opposition. The modification of the German treaty now seems to be approaching definite form. It is not planned to make the terms any lighter, but easier of execution.

President Wilson and Premier Lloyd George and Clemenceau seem inclined to fix a definite sum of twenty five billion dollars as the German indemnity. Apparently Germany will not be permitted to enter the League of Nations immediately.

The establishment of the Rhinish province along the Rhine river which first threatened to make complications in the peace treaty with the Germans, is not considered seriously now.

President Wilson may go to Brussels for a visit next week. The reported capture of Petrograd, is apparently without any foundation.

DELL NEVER FELT BETTER HE SAYS

DENVER MAN TAKES TANLAC—IS RELIEVED AFTER TWO YEARS SUFFERING

"For the first time in two years I am feeling strong and well again, and it was nothing but Tanlac that fixed me up," said George M. Dell, of 1337 Thirteenth street, Denver, Colo.

"I don't know what was the matter with me," he continued, "but I had lost my appetite and the little I forced down failed to digest and I suffered terribly with gas, on my stomach. There was a constant pain in my back, and my legs and feet would swell so at times that I couldn't put on my shoes. My kidneys worried me so much I never could get a good night's rest. I felt tired and worn out all the time, the medicine I took did me no good and I got into such an awful fix that I had to lay off from work as much as three days at a time, and when I did go to work it was all I could do to get thru the day.

"Tanlac was recommended to me so strongly that I decided to try it and my first bottle brought my appetite back. I have been entirely relieved of that pain and bloating, my kidneys don't bother me any more, I sleep like a log and can do as good a day's work as anybody, in fact I never felt better in my life than I do right now."

Tanlac is sold in Klamath Falls by

The Star Drug Co. and in Lorella by the James Mery Co. Adv.

CANADIANS LOYAL TO GOVERNMENT

PLEDEGE THEMSELVES TO MAINTAIN LAW AND ORDER AND STAMP OUT BOLSHIEVISM AMONG LABOR FORCES

WINNIPEG, June 6.—Four thousand veterans, at a meeting today, pledged themselves to maintain law, order and stamp out Bolshevism and anarchy from the labor forces.

The feeling among returned soldiers opposed to the general strike, and particularly to participation of aliens in strike demonstration, is at fever heat. Mayor Gray was informed that several thousands soldiers intended to march to trades and Labor council today and force entrance if necessary and demand that all aliens be ousted from the unions. They threatened to wreck the labor temple if necessary. James Duncan, a Seattle labor leader, in a speech yesterday referred to the soldiers as a "bunch of ignoramises." Indications are current that the strike will be called off in view of the impending action of the veteran.

IT'S A POOR DOCTOR Who Won't Take His Own Medicine

THAT'S WHY WE ARE USING THIS SPACE TO TELL YOU WHAT JOLLY LITTLE BUSINESS STIMULATORS HERALD WANT ADS ARE—AND WHY THEY GET RESULTS

THERE IS NO GUESSWORK about a Herald Want Ad. They do the business. We know they pay. Our customers have told us so time and again. We have used them ourselves and they have never failed to get results. They are the short cut to a quick turn-over—the modern method of merchandising on a small scale, where the value of the article to be sold or the importance of the want to be filled will not justify a heavy outlay.

If you had something to sell, trade or give away and went out on the street and told each person you met about what you wanted to do, you might get results—but the people you talked to would be very likely to say: "That poor fish has bats in his belfry." If, on the other hand, you used a Want Ad, you would talk to the whole county at once, instead of only one person, and do it in a businesslike manner.

The same rule applies to hiring help, renting a house, looking for a job, or any one of the important little incidents of life where you must call in the assistance of someone outside your immediate family. You MIGHT get results by telling your troubles to the neighbors—but the certain, quick and economical way is to use a little classified ad.

Do you want to buy, sell or trade, want to hire help or find work; do you want to find a room, a house to rent, or to rent the same to someone else; do you want to call attention to some new feature of your business, seek information on some subject, or have you any little unfilled want?
