

Velvet

THE FRIENDLY TOBACCO

Thar's two things can't be imitated—youthful charm and mellow old age.

Velvet Joe

"Mellow old age" in good Kentucky Burley Tobacco is reached after it has cured for two years.

We put millions of pounds in warehouses every year, to ripen for two years. It is a slow, expensive method. But it makes Velvet as good a pipe tobacco as money can buy.

It makes Velvet mellow and friendly—cool and long-burning. Get that charm of Velvet's mellow age in your pipe today.

Owing to an additional war tax of 5 per cent having been placed on picture films which is placing a heavy burden on the theatre people as they already bear a straight 10 per cent tax on admissions, it is necessary that part of this tax be borne by Theatre has paid the entire war tax but the extra tax makes it impossible to do this.
