TELEGRAPHERS' STRIKE FAILS

JUST A HANDFUL OF OPERATORS
RESPOND TO THE DEMAND OF
THEIR OFFICERS — BURLINSON
SAYS THERE WILL BE NO COM-
PROMISE.

WASHINGTON, June 11—Postmas-
ter General Burleson has announced
that no amount of pressure would avail
to make the government wire control
board "extend or go beyond the rules
and regulations of the war labor
board, which have been strictly ob-
served since the government took
over the control of the telephone and
telegraph properties."

He declared that the strike was
wholly without justification and said
that in his opinion the telegraphic
traffic had not been delayed and
would not be delayed.

PORTLAND, June 11—Practically
the entire force of the Postal Tele-
graph company operators went on
strike here today. Only two Western
Union employees went out. Those
were women operators in branch of-
fices. Ten or 12 Western Union night
operators are reported to have de-

side the strike tonight. Through the
northwest few Western Union men
went out. Some of the operators of
Postal company left their keys.

NEW YORK, June 11—Only 146
persons, including 121 operators, out
of a total of 40,000 Western Union
employees in the country were ab-
sent from work at noon. President
Newcomb Carlton announced. He
termed the strike a complete failure.

LADLASS, Tex., June 11—A. J.
Fisher, a non-union lineman, was
shot and killed here today in a clash
between strike sympathizers and non-
union men.

HANDSOME BUNGALOW IS PLANNED FOR G. W. WHITE

Plans are being prepared in the
office of Architect Heide for a mod-
ern bungalow to be built for G. W.
White on Haron St. While the
building itself is small and covers
only a space of 24 by 38 feet and
contains only three rooms. It is
modern in every respect and can
comfortably house eight people. The
living room, library and dressing
room all contain built-in wall beds
and lavatories and the kitchen is a
veritable little work shop with every
thing within reach of the worker
and a small breakfast nook in con-
nection. This little home can be
thrown into one big room at any
time and with the porches for out-
door sleeping and all the other con-
veniences, it is a genuine little man-
sion that would be a joy to any
housewife.

BUCKHECHT —on ARMY (M)

THIS model illustrates the
BUCKHECHT policy to
put into each shoe only
top-grade materials, top-
notch workmanship and
top-most value. When you
buy The Maximo you
are buying a shoe of
maximum wear and
comfort at an extremely
moderate price. You
will like it, too, for its
clean-cut styling—sane,
sober and sensible.

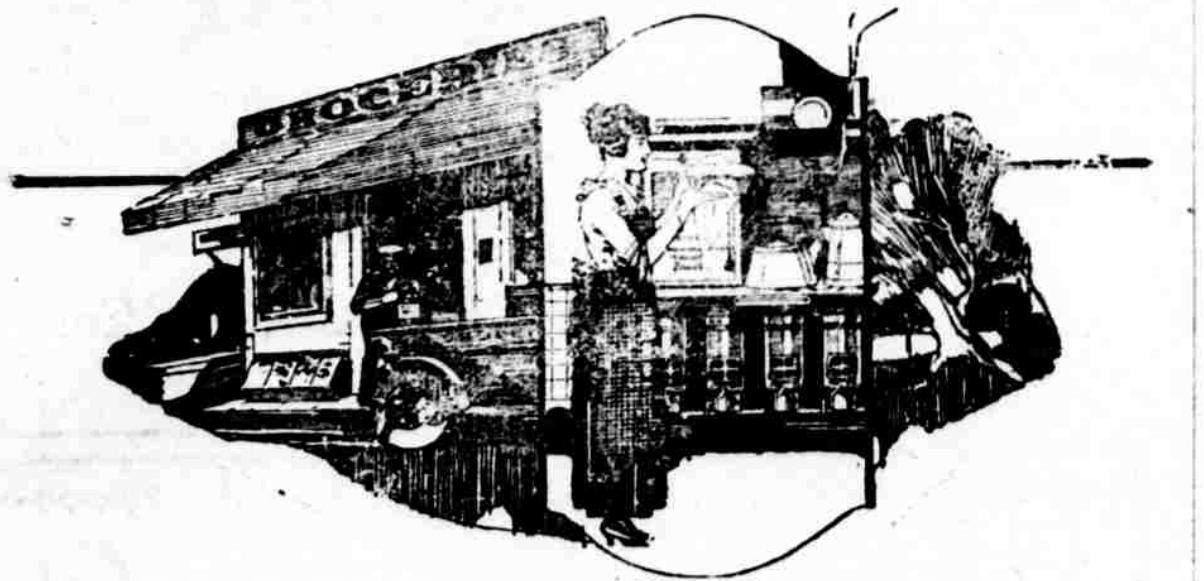

The

The
WEARABOUT

UTILITY sticks out all over
this model. That's why
we call it The Wearabout.
Sturdy leather to start with
—strong of body, fine in
grain. Add to this charac-
teristic BUCKHECHT work-
manship—and you begin to
appreciate its superior wear-
ing qualities. A neat-looking,
capable shoe for all-around
wear—a shoe that will stand
up under everyday usage
without whine or whimper.

Convenience, comfort and economy

Wherever you go—city, country, mountains,
seashore—there you will find Pearl Oil, the
Standard Oil Company's kerosene. Gives the con-
venience of gas without the dust and dirt of coal
or wood. Easy to handle.

With a good oil cookstove you will cook in
comfort all year 'round. Bakes, broils, roasts,
toasts—economically. Lights at the touch of a
match. No waiting for fires to come up, no un-
necessary work, no waste. Concentrates a steady
heat on the cooking—leaving the kitchen cool and
comfortable.

Pearl Oil is refined and re-refined by our special
process which removes the impurities. It is clean
burning.

Pearl Oil is for sale in bulk by dealers every-
where. It is the same high-quality kerosene as
the Pearl Oil sold in five-gallon cans. There is a
saving by buying in bulk. Order by name—Pearl
Oil.
