# SALVATION ARMY

## Oregon Home Service Campaign

---

### A MAN MAY BE DOWN But He's Never Out!

---

Is it worth while to help the orphan and homeless children of this State; to care for shelterless humanity; to rescue erring women and fallen girls; to relieve the sick and the poor; to work for the betterment of prisoners; to put men and women on their feet and start them toward usefulness, decency, cleanliness, morality and good citizenship?

As a good citizen holding in highest affection the welfare of our country, you are asked to give generously to help the Salvation Army—Angels of Mercy—to carry on their work of human salvage.
