

# HON OFFICERS PRAISE KAISER

The following advertisement is appearing in newspapers in various parts of unoccupied Germany, being a part of the campaign that is going on throughout the country under the auspices of the Officers' Alliance.

"We have telegraphed the Holland Government as follows:

The German officer's alliance filled with gratitude for the hospitality afforded the German Kaiser by Holland, in the name of millions of Germans, request the government of the Netherlands to refuse to deliver the Kaiser to the Entente. We cannot now defend our

former War Lord with our bodies but we expect the magnanimity of the world to spare us this final and most humiliating disgrace.

No papers appearing in the American occupied area have been permitted to print the advertisement which is addressed to all the nations."

## PROHIBITION BILLS REPORTED IN HOUSE

Enforcement legislation for both wartime and constitutional prohibition was formally reported to the house in a bill of two sections by the house judiciary committee today. The vote on reporting the legislation was 17 to 2. As the bill now stands, more lenient laws are provided in one section for wartime prohibition than in the constitutional prohibition section.
