At the Theatres

Imagine seeing a Dinosaur in a life and death battle with a Brontosaurus!

Imagine seeing one of these enormous monsters of prehistoric times calmly chewing the top of the tallest tree you ever saw!

Imagine seeing the strange beasts that lived and foraged and fought in this very land of ours hundreds of thousands of years ago, living and foraging and fighting again on the motion picture screen!

This is what you'll see when you witness the showing of Major Herbert M. Dawley's "Ghost of Slumber Mountain" at the Liberty theatre tonight. And this is but a little part of all the strange, surprising, startling things you'll witness when you see this marvelous, one-reel super special.

Where did Major Dawley go to get these remarkable motion pictures of these ancient monsters living and fighting again?

How did he get this most startling motion picture of all time?

That is Major Dawley's secret and he refuses to divulge it to a living soul. Suffice it to say that these strange, uncanny, gigantic beasts which roamed the earth before the human race was born, live and breathe and fight again before your very eyes on the motion picture screen.

This is your chance of a lifetime to see the most wonderful motion picture ever photographed. Avail yourself of this splendid opportunity to see the living creatures as they were when the world was young.

E. K. Lincoln and Delores Cassinelli in the "Unknown Love", a great six part picture will also be shown tonight, at the Liberty.

**FIGHTERS STOP
HEAVY TRAINING**

TOLEDO.—Heavy training has been completed by Jess Willard, the heavyweight champion and Jack Dempsey, contender, for their coming battle July 4. Both fighters are doing light work only today and they intend to rest tomorrow.

**LONG ROUTS ATTRACT
BOXING FANS IN TONAPAH**

TONOPAH, Nevada, July 3.—Twenty-five round boxing matches have become a regular feature of the athletic program of this community and many of the best fighters of the Pacific coast have been seen in action here. Much interest is being taken in the sport and, with California limited to four round bouts, this interest extends to the followers of boxing in the Golden state.

With the influx of those interested in the mining boom connected with the Divide district, no trouble has been found by the promoters in drawing capacity houses and this camp is becoming one of the boxing centers of the Pacific slope.

**WHEN YOU WAKE
UP DRINK GLASS
OF HOT WATER**

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes anyone look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness while the bowels pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; important to keep clean and pure on thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store, but is sufficient to make anyone an enthusiast on inside bathing. Men wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion; others who have bilious attacks, acid stomach or constipation are assured of pronounced improvement in both health and appearance shortly.—Adv.

CHANDLER SIX \$1795

**The Fact of
the Matter**

YOU can see for yourself that the Chandler is the most closely priced fine car in the whole American market.

Printer's ink lends itself to the presentation of claims and facts alike. We make it our purpose, in speaking of the Chandler, to deal with facts only.

And this we believe to be the fact, that no other automobile, built so well, built of such good materials, built in such good design, is priced within hundreds of dollars of the Chandler price.

The Chandler motor is truly a

great motor. There is none better. Fifty thousand Chandler owners know it. And countless thousands of their friends and neighbors know it. Now in its seventh year of constant development, without radical change of design, it approximates perfection.

The whole Chandler chassis, simple and sturdy, is dependable and enduring.

And Chandler bodies, graceful in line, roomy and comfortable, luxuriously upholstered and beautifully finished, are suggestive of the best custom work.

The New Series Touring Car

will delight you and your family. It is big and handsome, seats seven grown persons without crowding, and will take you anywhere in comfort.

The Chandler is fast when you want speed. It is flexible and instantly responsive in crowded traffic. It is powerful on steep grades.
