SUFFERING IN SERBIA ACUTE

NISH, Serbia.—(By Mail.)—Upon their arrival here with food, clothing and medicine the army food mission and the American Red Cross found the following prices prevailing: For a man's suit of clothes of cheapest quality, \$240; a pair of trousers, \$60; a pair of shoes, \$55; one yard of cotton cloth, \$12; a spool of cotton thread, \$8 to \$12; a small piece of soap, \$6; one pound of coffee, \$15.

At Pirot a loaf of bread cost \$1; one pound of sugar, \$5; a quart of kerosene, \$6; a pair of women's shoes, \$60; men's shoes, \$70 a pair; underwear of poor quality, \$29 a suit; thread, \$2 to a spool.

In both the Nish and Pirot districts the Bulgarians had carried off clothing, bedding and cloth of all sorts. Red Cross representatives found hundreds of men, women and children in some hamlets wearing nothing but burlap sacking.

Typhus has broken out at Janjevo, Gostovar, Palanka, Cuprija, Leskovatz, Uskub, Seres, Drama and Kavalla. In virtually every town of 4,000 population in Serbia there are from 10 to 30 cases of typhus. Dozens of Red Cross "teams," consisting of one doctor and three or four nurses have been sent out from Saloniki to the worst typhus centers. Dispensaries, disinfecting stations, soup, bread and clothing lines have been established and many Serbian hospitals have been taken over.

Millions of feet of mosquito netting have been brought into the Balkans by the American Red Cross to fight this summer's fly plague, considerable time to rest.

IT'S A POOR DOCTOR
Who Won't Take His Own Medicine

THAT'S WHY WE ARE USING THIS SPACE TO TELL YOU WHAT JOLLY LITTLE BUSINESS STIMULATORS HERALD WANT ADS ARE—AND WHY THEY GET RESULTS

THERE IS NO GUESSWORK about a Herald Want Ad. They do the business. We know they pay. Our customers have told us so time and again. We have used them ourselves and they have never failed to get results. They are the short cut to a quick turn-over—the modern method of merchandising on a small scale, where the value of the article to be sold or the importance of the want to be filled will not justify a heavy outlay.

If you had something to sell, trade or give away and went out on the street and told each person you met about what you wanted to do, you might get results—but the people you talked to would be very likely to say: "That poor fish has bats in his belfry." If, on the other hand, you used a Want Ad, you would talk to the whole county at once, instead of only one person, and do it in a businesslike manner.

The same rule applies to hiring help, renting a house, looking for a job, or any one of the important little incidents of life where you must call in the assistance of someone outside your immediate family. You MIGHT get results by telling your troubles to the neighbors—but the certain, quick and economical way is to use a little classified ad.

Do you want to buy, sell or trade, want to hire help or find work; do you want to find a room, a house to rent, or to rent the same to someone else; do you want to call attention to some new feature of your business, seek information on some subject, or have you any little unfilled want?
