John Barleycorn Being Laid Away With Due Honors by New York Saloon Keeper

John Barleycorn may be only in a trance and awaken for a short time before his end comes the first of next year, but a lot of New York saloon keepers consider him the "late lamented" John. This photograph shows one "retired" saloon proprietor burying him with all due honors. Attached to the mourning crepe on the door is a bottle of private stock beneath is a demijohn filled with "hard stuff."

STATE PRESIDENT W. C. T. U. TO VISIT

Mrs. Clarrie M. Sleeth, state president of the Woman's Christian Temperance Union, will arrive in Klamath Falls on Monday, July 21, from Portland. She will begin an all-day meeting at 10:30 a. m. the following day. Luncheon will be served at the church. The program for the day will be published later.

EL SANTA ANITA PASSES AWAY

MOST FAMOUS RACING HORSE IN CALIFORNIA HISTORY DIES NEAR LOS ANGELES—PRIDE OF LATE "LUCKY" BALDWIN

LOS ANGELES, July 11.—Rey El Santa Anita, king of the turf, the most famous racing horse in California history and the pride of the late E. J. "Lucky" Baldwin, died recently at Santa Anita Rancho, near here, the former home of "Lucky," now occupied by his daughter, Mrs. Anita Baldwin.

Rey El, as he was familiarly known from the Pacific to the Atlantic, in the days when horseflesh reigned supreme, was a winner of the American derby and of countless races throughout the country, and Mrs. Baldwin estimated that Rey El won more than $250,000 in purses during his life.

He won the American derby at Washington Park, Chicago, in the then fast time of 2:36, winning a purse of $19,750. In 1905 Rey El won the Broadway stakes in New York and other honors during the same year at St. Louis and Little Rock.

In 1907 he was leased by Richard Crocker, who took him to England, where he attracted world-wide attention, both as a race horse and a famous sire. After attending to laurels already won he was brought back to America and finally to his birth place, Santa Anita Rancho.

Of recent years, Rey El, though growing old, he held his own magnificently in spirit. Oly four years ago, when he was 24 years old, he won a first prize at the Panama-Pacific International Exposition at San Francisco.

Due honor was paid the noted animal when he was buried. With his racing colors, records and trappings wrapped about him, he was laid on a knoll at Santa Anita Rancho, beside the body of Grimstead, another of the well know thoroughbreds of "Lucky" Baldwin.

HOME AFTER LONG ABSENCE.

After an absence from Klamath Falls of several months, during which time they visited several of the beauty spots over the country, Mr. and Mrs. J. P. Saterlee returned to Klamath Falls yesterday. They motored up the Yosemite Valley, Lake Tahoe and returned via Reno, Nevada.

An Inside Bath Makes You Look and Feel Fresh
Says a glass of hot water with phosphate before breakfast keeps illness away.
This excellent, common-sense health measure being adopted by millions.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the eliminative organs.

Those who get up with a bad breath coated tongue, nasty taste or have a dull, aching head, sallow complexion, sour stomach, sufferers who are subject to biliousness attacks or constipation, should obtain a quarter pound of lime stone phosphate at the drug store (this will last a long time, for a little goes a long way) and begin tomorrow morning to enjoy the glorious benefits which are bound to result to health and appearance.—Adv.

Physicians' Prescriptions Our Specialty

Drug Stores are really neighborhood department stores in which various lines are featured. One druggist may push patented preparations, another toilet goods, cameras, optical service, the fountain or other department which nets him good financial returns.

Our specialty has always been the filling of Physicians' Prescriptions, and as a result our store has become a prescription center. We carry an exceptional stock of prescription drugs, and our laboratory equipment is up-to-date. We employ only experienced graduate pharmacists.

All of your Prescriptions and Recipies are important and deserve the special care which we are able to give them.
