

CHEERING THROG GREETING PRESIDENT WILSON AS HIS SHIP RETURNS HOME

President Wilson was enthusiastically received when the transport George Washington brought him back to America for the second time after months spent at the Peace Conference. This photograph shows the cheering, flag-waving crowd which greeted him as the transport was coming alongside the Hoboken pier. In the circle the president is seen standing on the bridge of the George Washington just before he went ashore.

WILLIE MEEHAN WANTS TO FIGHT JACK DEMPSEY

SAN FRANCISCO, July 16.—Willie Meehan, a heavyweight boxer of this city, says he is entitled to a match with Jack Dempsey, the new world champion. Friends of Meehan, as well as local followers of boxing, believe there is merit to his demand for a meeting with the title holder altho they are not predicting anything much for Willie in the light of what Dempsey did to Willard at Toledo.

Meehan's claim is based on the fact that he holds a four round decision over Dempsey. This bout was fought in San Francisco last year at one of the war benefits held here. All the sport writers confirmed the decision of the referee in their accounts of the bout.

Sporting men are of the opinion that, technically, Dempsey's record will not be clear until he has defeated Meehan, but there are few who will concede Meehan a chance to win in a twelve or twenty round fight.

Despotic Bolshevik Who Is the Ruler of Hungary

Under the despotic Bolshevik rule of Bela Kun there have been hundreds of murders and outrages in Hungary. This is one of the first pictures to reach this country of the man who was captured by the Russians while serving in the Austro-Hungarian army and later became secretary to Lenin. He is second only to Trotsky a Bolshevik despot.

Confessed Slaye of Girl Who Says Senator New of Indiana is His Father

Harry B. New insanity probably will be the defense of Harry B. New, who killed Frieda Lesser while they were automobiling near Los Angeles. He has given several motives for his act, but it is thought that he will maintain that he became temporarily insane when the girl refused to marry him. The prisoner declares that Senator New of Indiana is his father.

Mrs. Roy Evans spent yesterday in town from Dorris.
