GARICH'S GROCERY NEWS

VOLUME I. KLAMATH FALLS, OREGON, MONDAY, AUGUST 4, 1919. NUMBER 22

FREE EDITORIAL

I want to say just a word
to the housewives of the city
—something that you will
thank me for, and something
that every business man will
appreciate if you follow my
suggestion. It is this:
In ten days the Elks Con-
vention will be upon us. It
is going to strain to the
breaking point the "service"
ability of every business
house in the city. It is going
to tax far beyond its capac-
ity the delivery system used
by the business men to de-
liver goods into the homes.
And right here is where you
are directly interested. If
you do not get your staple
supplies in advance, you will
not be able to get them dur-
ing the convention, for the
reason that it will be out of
the question to get them de-
livered with any degree of
promptness. Now, this is
the suggestion that I want to
make to you:
Sit down for a few min-
utes and figure out just what
you are likely to need in the
way of staple goods during
the convention. Make out
an order and have your
dealer fill it and deliver it to
you. Get everything except
such perishables as fruit and
vegetables. Get an ample
supply. It will be just as
good on your shelves at it wait. The supply is limited
will be on the shelves of your
grocer, and if you find after
the convention that you do
not want you can return it.
Don't put this off until the
last minute, either. Do it to-
day, right now. You will
find that you will be mighty
glad that you did it, and I
know that the business men
will appreciate your thought-
fulness.
YOUR LAST CHANCE
The days for canning
fruit are numbered—num-
bered because there is very
little fruit to be had. Some
of you lost out on the straw-
berries, blackberries, logan-
berries, and other early
fruits. If you don't hurry
you will also lose out on
what little is left. I will
have a limited supply of
Plums, Blackberries, Sat-
urna Plums, Apples and Crab
Apples. Order them now,
before it is too late. Re-
member, I get them every
night for delivery first thing
the following morning. They
come to you FRESH.
BARTLETT PEARS
We are now booking or-
ders for Rogue River Bart-
lett Pears for delivery about
August 20th. Place your or-
ders with us now. Don't
forget to show you what
"Garich Service" means.
will be on the shelves of your
on pears.
