

NATIONAL ANTHEM IS REVISED FOR PEACE-TIME CELEBRATION

LONDON, Aug. 6.—With the approval of King George the British national anthem was revised for the period of the peace celebration so as to include certain sentiments that will appeal to the entire Empire.

"One realm of races four,
Blest more and evermore,
God save our land,
Home of the brave and free,
Set in the Silver sea
True nurse of chivalry
God save our land.

Kinsfolk in love and birth
From utmost ends of earth,
God save us all,
Bid strife and hatred cease,
Bid hope and joy increase,
Spread universal peace
God save us all.

FOOD PRICES ARE CAUSE OF UNREST

People in England Indignant Over High Costs—Newspapers Warn the Government Authorities of Impending Trouble.

LONDON, Aug. 6.—The food riots in Italy and agitations elsewhere on the continent are focusing attention on the continual increase in the prices of food and clothing in this country.

Newspapers are devoting much space to this subject, and warning the government that unless it takes action to curb profiteering, trouble may be expected this winter.

There is great discomfort among small householders. One writes to a London paper complaining of high prices demanded for eggs, milk and fruit.

The same writer, discussing the "extortion on clothing," quotes the announcement made in the House of Commons the other day that the high price of woolen garments is not due to short supplies or government charges.

"If that is so," the writer comments, "why are all woolen goods at famine prices, and why does a man's suit of clothes cost anything from eight to eighteen guineas (\$40 to \$90)?"

The Ministry of Munitions official who made the announcement regarding wool said that the bulk of responsibility for the high prices of woolen goods lay between the man who makes the cloth and the dealer.

TELLS RHEUMATISM SUFFERERS TO TAKE SALTS AND GET RID OF URIC ACID

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

WASTE

During the late war people were taught not to waste. The reason for this was to secure that surplus above what was necessary in order that others might get the benefit thereof.

It found result in finding sufficient for all and was obtained through the kindly consideration of the other fellow in the equalizing of distribution.

True, some were selfish and for a time refused to lend aid to the scheme which comprehended a more equalized distribution to all, but the sharp eye of the Government searched them out and they were punished in the end.

1,584,000 gallons of Water is being pumped every twenty-four hours into the reservoirs supplying the twenty-two miles of distributing pipes which carry water to 1,019 customers in the City of Klamath Falls.

No doubt the abuse of a flat rate service by a few is training the eye of the Public Utilities Commission on those who wilfully do not consider the rights of others and the punishment must follow in the installation of meters for everybody.
