

**SPOTS NEAR FORESTS CAN BE LEASED OUT FOR SUMMER HOMES**

WASHINGTON, D. C., Aug. 6.—Many attractive building spots in the National Forests of the West are open for lease by the summer home enthusiast, announces the Forest Service of the United States Department of Agriculture, which says also that information regarding permits for summer home sites will be furnished gladly by Forest officers. Requests for information should be made to the nearest office of the Forest Service, or can be sent to headquarters in Washington, D. C.

The Forest Service is endeavoring to bring the wonderful vacation resources of the National Forests to the wider attention of the general public and to induce many more hundreds of thousands each year to visit

these natural playgrounds. Unexcelled opportunities for tramping, camping, motoring, and fishing are offered to visitors—at no cost whatever for the privilege. There are a few restrictions on the use of the Forests by the public—just enough to protect public property.

Go into the Forests this year if you can, says the Forest Service, or else put such a trip on your vacation schedule for next year.

**GREEK SOLDIERS MURDER TURKS IN COLD BLOOD**

LONDON, Aug. 6.—The Greek Army of Occupation which landed at Smyrna a few months ago murdered and pillaged the Turks, according to a letter published by Marmaduke Pickthall, a well-known writer of eastern affairs. The writer of the letter was described by Mr. Pickthall as "the reliable correspondent" but his identity was not disclosed.

The writer asserts that when the Greek army landed at Smyrna, Turkish troops had been ordered by the Turkish authorities to remain in their barracks and that they did so; but that the Greeks broke into places where Turkish officers were collected and shot down all who would not shout "long live Venizelos." Many were thus shot down, according to the writer. The writer adds:

"The Governor of Smyrna was dragged along the wharf and carried aboard a Greek ship. His wife was wounded and his house looted. The Turkish Chief of Staff was bayoneted in the face and thrown into the hold of the Greek cattle ship among the animals. The senior doctor of the Turkish army corps was murdered and his body mutilated. Fingers of Turkish men and women who wore rings were cut off wholesale. Houses were looted, women robbed of all their jewels.

This was supposed to be an absolutely peaceful occupation in the interests of law and order. Greece had not even been at war with Turkey. In no case did the Turks show fight till they were attacked by the Greeks. The civilian Greeks joined with the invading soldiery in the work of murder and pillage. And the Allied Fleet acquiesced in these proceedings, which were made possible only by its presence."

A member of the House of Commons recently asked the government representatives whether it was true that the Greeks had massacred their prisoners in Smyrna in full sight of the Allied War Ships. Sir Cecil H. Harmsworth, now secretary of Foreign Affairs replied that numerous Turkish officers and men lost their lives in that way but the Greek Government, he said, regretted the affair and it was engaging the attention of the British minister to Paris.

**SEATS ARE SELLING RAPIDLY FOR BOUTS**

Advance ticket sale for the big boxing bouts that will be staged on Thursday night of the Elks convention, under the auspices of the local lodge, is moving rapidly, and indications are that all the best seats will be taken before the week end.

A big surprise is in store for the local fans in the announcement which will be made later as to who will referee the bouts. One of the old time sports in town, a member of the local lodge, will be the third man in the ring. His name will be given out later.

Additional interest centers in the matches with the announcement made today by the management that Danny O'Brien of Portland is in town along with his manager, and may be pitted against a fit opponent for a four-round go.

Dannie Wardell, who is matched against Louie Lyons in the big event of the evening, showed his mettle the other evening in Roseville, when he knocked out "Baby" Blue in three rounds. Lyons is working out each night at the opera house from 6 until 7 o'clock, and is showing class in his footwork and ability to handle the gloves. Fans are welcome to come to the opera house and see the workouts that will be held each evening.

Seats for the bouts are on sale at the Mecca and Pastime billiard parlors, the Jewel Cafe and Lawrence's cigar store.

**NO DAMAGE DONE BY FIRE**

Hundreds of people rushed to the Home Laundry, 5 Main Street yesterday about 3 p. m., following the fire alarm and the report that the laundry was in flames. The fire truck answered the alarm, but the fire was put out before there was need of the apparatus. Intense heat from the smokestack caused the flames, which were extinguished before they were able to burn any part of the roof.

Don't forget: the Elks will have a convention here August 14, 15 and 16. Get busy!

**Just a Word**

It has often been said that a word to the wise is sufficient, and I hope what I have to say will prove true in your case. It is just this: BUY! I don't care whether you buy from me or one of the other merchants, but if you are going to need something in our line, get it now. Why? Because you will not get it as cheap for years as it is today. Prices are going up so fast that the merchants of this city cannot realize it. We are selling goods today at a price that is below the actual present day wholesale cost. I know there are many people who think this is just "shop talk," but the far-seeing man and woman will know that I am speaking the truth, the others will realize it in the very near future. That is why I say to you, BUY NOW. I shall be glad if you give me your patronage, for I feel that you will be fully satisfied with the high class merchandise I sell you, that you will be delighted with my splendidly equipped store, and the gentlemanly, efficient service you receive; but whether you come to my store or to that of some other merchant, buy your merchandise now. Remember, the dollar you save today you will not have to work for tomorrow.
