

**BAD BOY IS REWARDED IN STOPPING PRINCE**

BELGRADE, Serbia, Aug. 8.—The professional bad boy of a local orphanage a lad of twelve years saw the automobile of Prince Regent Alexander standing in front of the Serbian Military Hospital the other day. When the Prince appeared the boy told him.

"I'm an orphan, but I don't want to stay at the orphanage, I don't get enough to eat, and besides I don't want to be a shoemaker.

The Prince asked the boy to come to the palace. The next morning just after breakfast the boy stole away from the class in shoe-making and went to the royal offices. He demanded and was given an audience.

In the afternoon the Minister of the Court reported to the directress of the orphanage that the boy had gained the royal favor and would be sent to the officers' training school.

**BOUND OVER TO GRAND JURY.**

EUGENE, Aug. 8.—Martin Clark was bound over to the Grand Jury today after a preliminary hearing charging him with the murder of Road Supervisor Taylor who was shot to death in the mountains while on a hunting trip with Clark.

**Cleanse Your System**

The only way it can be done is through the liver. That drowsy, tired feeling, so often experienced at this season, is due to impurities in your blood. Such impurities are the result of an inactive liver.

**Nyal's Liver Salt**

will make the liver perform its work properly and expel all impurities from the system.

**YARDS TURN OUT NUMEROUS SHIPS**

SAN FRANCISCO, Aug. 8.—The three Pacific coast states of Washington, Oregon and California will have contributed 3,721,524 dead weight tons of ships at the close of the 1919 building program according to the approximate figures given out here today by the United States Shipping Board. In all, 472 ships will have been added to the American merchant marine since the intensive war time shipbuilding began to "bridge the Atlantic" in the battle waged against the German submarines.

Steel and wooden ships to the number of 318 with a tonnage of 2,336,986, is the estimated production of Washington and Oregon shipyards from the beginning of the war to the completion of the 1919 program. Of these 245 are steel and 73 of wood.

In California the total tonnage of steel vessels to be constructed to the end of 1919 is \$1,192,538. Of wooden vessels, constructed or under construction, California's contribution is 28 with a total dead weight tonnage of \$177,000. Concrete ships are represented by 15,000 tons.

**NOTICE**

I am now prepared to furnish Shasta Sand from the Hoey, Cam., sand and gravel pit, in any quantity that may be desired by contractors and builders.

AL F. GRAHAM.

**SUMMONS**

In the Circuit Court of the State of Oregon, for the County of Klamath. Enterprise Land and Investment Company, a Corporation, Plaintiff.

vs. Alexander H. Miller, A. H. Miller, and the unknown heirs, legatees and devisees of the said Alexander H. Miller and A. H. Miller; George Nurse and Kate Nurse, his wife, and the unknown heirs, legatees and devisees of the said George Nurse and Kate Nurse; Kate Hatton; also all other persons or parties unknown claiming any right, title, estate, lien or interest in the real estate described in the complaint herein, defendants.

To Alexander H. Miller, A. H. Miller, and the unknown heirs, legatees and devisees of the said Alexander H. Miller and A. H. Miller; George Nurse and Kate Nurse, his wife, and the unknown heirs, legatees and devisees of the said George Nurse and Kate Nurse; Kate Hatton; also all other persons or parties unknown claiming any right, title, estate, lien or interest in the real estate described in the complaint herein, defendants.

In the name of the State of Oregon: You and each of you are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the ninth day of August, 1919, being the last day of the time prescribed in the order for the publication of this summons, the first publication thereof being on the 27th day of June, 1919, and if you fail so to appear and answer for want thereof the plaintiff herein will apply to the court for the relief prayed for in said complaint, to-wit: A decree of this Honorable Court for the plaintiff and against the defendants, declaring that the plaintiff at the time of the commencement of this suit was, and now is, the owner in absolute fee simple of the following described real property, to-wit:

The north one and one-half acres of Enterprise Tract No. 40 B, Enterprise Tract No. 38A, Enterprise Tract No. 38B, the north nine acres of Enterprise Tract No. 37, Enterprise Tract No. 41A, Enterprise Tract No. 41B, Enterprise Tract No. 42, all in section 34, township 38 south, range 9 east, W. M., Klamath County, Oregon; Enterprise Tract No. 32, the west two and one-half acres of Enterprise Tract No. 33A, Enterprise Tract No. 33B, Enterprise Tract No. 35, Enterprise Tract No. 36, Enterprise Tract No. 43, and Enterprise Tract No. 44, all in section 3, township 39 south, range Oregon, according to the dedicated plat thereof dated March 19, 1907, recorded in the office of the County Clerk of Klamath County, State of Oregon on May 4, 1907; subject to any mortgage liens and other liens now existing against said lands in favor of the Klamath Irrigation District for water charges.

That any and all adverse claims of the defendants, or any other party or parties, in and to said lands, adverse to this plaintiff be determined, and that the defendants and all other persons or corporations be forever enjoined and debarred from asserting any claim whatsoever in and to said lands and premises to this plaintiff.

Plaintiff prays for such other and further relief as to the Honorable Court may seem meet in the premises.

This summons is served by publication thereof in the Evening Herald by order of the Honorable D. V. Kaykendall, Judge of said Circuit Court, dated June 26, 1919, requiring this summons to be published once a week for at least six consecutive weeks.

**SACRAMENTO WOMAN SAYS TANLAC MADE HER FEEL LIKE NEW PERSON**

"It certainly has paid me well to stick to Tanlac, for five bottles have really and truly made me feel like a new person," said Mrs. J. W. Warren, wife of a well known Southern Pacific railroad man, residing at 611 29th street, Sacramento, in telling of the benefits she has derived from the medicine, recently. Mrs. Warren was born in Sacramento. She has always lived here and has a wide circle of devoted friends.

"At the time I began taking Tanlac," she continued, "I was so nervous and weak I could hardly get the children ready in the morning in time for school. I had an awful time with my stomach for several months and was all run down in every way. I had no appetite and what little I did eat would ferment and bloat me up until I was miserable. There was a heavy pressure around my heart all the time with terrible pains that made me so faint and weak that I could hardly get thru with my household work. I was in such a bad condition that I could hardly hold out to go down town and do a little shopping. I was so weak and run down that I spent about all my time on the porch and in the yard, hoping that would help me. I would get up mornings tired and nervous and feel that way all day.

"My husband persuaded me to try Tanlac after reading a testimonial from a lady who had been relieved of troubles similar to mine. My first two bottles didn't seem to help me much, but I stuck to it, thinking it must be good or so many wouldn't say it had helped them, and after finishing the third bottle my improvement was very rapid. My stomach has not given me a particle of trouble since I finished that third bottle and I am eating just anything and everything. I am not the least bit nervous any more and have more strength than I have had in months. Why, just yesterday I mowed the lawn, both front and back, and stood it fine. Last Sunday, after spending the day at the park, I cooked dinner for twelve people. Well, when bed time came, I admit I was tired, but not the same way I had been before. It was that tired feeling that makes one lie down and sleep like a child and not the kind that makes one feel weak, nervous and restless. When I weighed about three weeks ago I had gained six pounds and have gained about that much more by this time. Anyway I have improved so much that my friends are often speaking of it. I don't have that weary look in my eyes nor that tired, worn out feeling any more, and I am more contented than I can put into words for what Tanlac has done for me."

Tanlac is sold in Klamath Falls by the Star Drug Store and in Lorella by the James Merc. Co.—Adv.

**GERMANS WILL STRIVE FOR TRADE WITH LATIN-AMERICA.**

MEXICO CITY, Aug. 8.—The German government intends to devote a great portion of its commercial activity to a revival of its trade relations with Latin-American countries, according to communications just forwarded to Mexican officials here by Arthur von Magnus, representative of the German government in Mexico. He asked for complete information in regard to the demand for German products here.

**Lift off Corns!**

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

**Speed—and the price of Meat**

Forty-eight hours after cattle are purchased by Swift & Company they are hanging up as meat; within two weeks the fresh meat has been sold.

This speed means money in the pocket of the one who raises the live stock and of the one who eats the meat. It means a rapid "turnover" of capital and investment—making possible the transaction of daily business on a narrower margin of profit.

Speed permits Swift & Company to do a successful business on a profit of a fraction of a cent per pound.

Such speed, with its rapid turnover and smaller profits would be impossible without the efficient organization and wide scope of Swift & Company, the results of fifty years' experience in handling meat.

Do you believe that government interference with the complicated and efficient machinery of the packing industry can be of any benefit? Experience with government regulation of railroads and telephone and telegraph might suggest an answer.

Swift & Company, U. S. A.

**Notice to Subscribers**

Under authority of the Postmaster General, on account of recent increases in wages to employes, totaling for the State of Oregon upwards of \$225,000.00, certain changes in exchange rates have been approved and made effective July 29, 1919, for the State of Oregon.

The changes in rates apply particularly to residence service, changes having been made in the principal business rates May 1, 1919.

All new business taken on and after July 29th will be at the new rates, and bills to present subscribers for the month of August will be rendered at the new rates.

The increased rates will yield an annual revenue upwards of \$250,000.00, but as the increase in wages is upwards of \$225,000, the net return to the company under the rates now made effective is approximately 2 1/2 per cent on the valuation of its property at \$13,464,000.00, as found by the Public Service Commission.

The new schedule of rates is identical with the one approved by the Postmaster General for the State of Washington, which has been in effect since March 1, 1919. The rates are the same in both states for exchanges that are comparable.

We believe that no profit as to the advanced cost of living and the general high cost prevailing for labor and materials is necessary, and that the telephone using public will accept this increase in rates in the same spirit of fairness and consideration as it has the advances in almost every other necessity in these unusual times.

The Pacific Telephone & Telegraph Co.
