MORE TERRITORY IN MEXICO "PACIFIED"

MEXICO CITY. (Correspondence of Associated Press) Aug. 14.—General Francisco Murguía, in charge of federal forces in the states of Tamaulipas, Coahuila and Nuevo Leon, has reported to President Carranza

that the former rebel strongholds in the southern part of Nuevo Leon have been cleared and the country pacified. He declared the towns of Iturbide, Zaragosa, Aramberri and Noriega, which have been held for some time by the rebels, are now in his possession. The reconstruction of railroad, telegraph and telephone lines is now in progress, he reported.

A widower with nine children applied to the manager of the Municipal Employment bureau of Paterson, N. J., for a "kind, motherly woman" who would marry him.

It is beginning to look as though the Philippines don't want a divorce, but only separate maintenance.—Manila Bulletin.

APPLETON'S ELECTION IS HOPEFUL SIGN

NEW YORK, Aug. 14.—The election of William A. Appleton as president of the International Federation of Trade Unions at the recent congress of that federation in Amsterdam is characterized as a hopeful sign, by the American Alliance for Labor and Democracy in a statement issued here. Mr. Appleton is described in this statement as constructive, progressive and democratic.

For years, says the Alliance, Mr. Appleton has been secretary of the General Federation of Trade Unions in England. In 1917 he visited the United States as head of a delegation representing the General Federation of Trade Unions. Pointing out that Mr. Appleton was nominated by Samuel Gompers to head the international labor movement, the Alliance statement adds:

"Mr. Appleton always has been a staunch friend of the American Federation of Labor and an ardent admirer of its policies and achievements. More than any other European leader of labor, he thinks in accord with Samuel Gompers. During the war Mr. Appleton was tireless in his work for victory."
