

COMMITTEE WILL MEET PRESIDENT

Foreign Relations Committee of the Senate Will Go Into Conference With President Wilson on the Peace Treaty.

WASHINGTON, Aug. 15.—The senate foreign relations committee decided today to notify President Wilson that it would call at the White house at his convenience to discuss the peace treaty. E. T. Williams, S. K. Hornbeck, and William Bullitt, who resigned as Advisers of the Peace Commission in Paris, because of the reported disagreement in the conference decisions, will likewise be called.

A motion to call Colonel House, General Bliss, and Henry White was voted down by one vote. Their deci-

sion was that all information that they received from the President would be made public. It was understood that the President was glad that the Senate committee had decided to speed up the work on the treaty. Wilson has not receded from his position against reservations. He expects to start his speaking tour when the committee reports the treaty and will no doubt arrive on the Pacific Coast in early September.

WASHINGTON, Aug. 15.—Members of the House intervened today to prevent a clash between Democratic-Representatives Blanton and Hardy of Texas. Hardy rushed his colleague when Blanton charged that he was a mere "rubber stamp" and was always defending the administration.

NATIONAL PLAY TO START SOON

National Amateur Golf Association Will Revive Championship Tournament, Series of Play Starting Next Saturday.

PITTSBURG, Aug. 14.—After a lapse of two years, the United States Golf Association will revive the National Amateur Championship Tournament at the Oakmont Country Club, Allegheny County, next Saturday. All of the leading American golfers, including the title holder, Charles Evans, Jr., of the Edgewater G. C., Chicago, and some Canadian players have entered for this year's contest. In fact, the field of aspirants is so large that it has been found necessary to begin with a weeding out or preliminary qualifying round of 18 holes medal play on Saturday, which will reduce the big field of entrants to 64 players who will take part in the regular qualifying round of 36 holes medal play, which will start at 9 o'clock next Monday morning. On Tuesday the 32 best scores will be paired for 36 holes match play, and each succeeding day the survivors will meet at match play until Saturday, August 23d, when the pair of finalists will fight it out for the championship title and gold medal.

This year's tournament will be the twenty-third held under the jurisdiction of the United States Golf Association, which became the governing body of the game in America in 1895. During 1894 two amateur championship tournaments were held, one of them at Newport, R. I., in September, and the other at the St. Andrews Golf Club, New York, the following month.

At Newport, after two days of medal play, W. G. Lawrence of the local club, was the winner, with a score of 188 for 36 holes, and C. B. McDonald of Chicago finished second with 189. One month later in the match play tournament over the St. Andrews links L. B. Stoddart of the home club won by 1 up, C. B. MacDonald being the runner up.

PUT STOMACH IN FINE CONDITION

SAYS INDIGESTION RESULTS FROM AN EXCESS OF HYDROCHLORIC ACID.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—Adv.

Three Champs!

Jack, Doug and Charley. No matter how prejudiced one might be it must be admitted that these real champs posed for this picture. It was taken when the new heavyweight champion, Jack Dempsey went to the movie studio to talk over his part in a new picture. It's Dempsey on top, supported by Douglas Fairbanks and both held aloft by that strong man Charley Chaplin. And by the way — that famous Fairbanks smile now has a rival. Note that "molar space" on the Dempsey face. Boyish—typical American and likable.
