20 SENATORS ARE READY TO RATIFY

WASHINGTON, D. C., Aug. 18.—Over twenty republican senators are ready to stand for quick ratification of the peace treaty with reservations.

Although Administration Leader Hitchcock disclaimed any part in the negotiations for a settlement, the move has apparently reached the proportions where it might threaten the committee's plans for prolonging the consideration of the treaty.

Senator Hitchcock was in conference with President Wilson late today.

Solemn High Mass Celebrated on California State Capital Grounds At Sacramento Sunday Morning, Opening Convention

SACRAMENTO, Cal., Aug. 18.—Solemn High Mass on the grounds of the state capital tomorrow morning is to be a feature of the thirty fifth annual convention of the grand council of the Young Men's Institute, which opens with a big ball at the state armory tonight. The mass is to be one of thanksgiving that out of the 1210 members of the order who answered their country's call in the late war, 1191 returned.

The Grand Council embraces the states of Washington, Oregon, California and Nevada and the Territory of Hawaii. There are 132 accredited delegates, but many hundreds interested in the convention are in the city.

One archbishop, the Right Rev. Edward J. Hanna of the Catholic Archdiocese of San Francisco, and two bishops, the Right Rev. John J. Cantwell of the diocese of Los Angeles

and Monterey and the Right Rev. Thomas Grace of the Diocese of Sacramento are expected to address the convention. Governor Stephens and the mayor of Sacramento also have been invited to speak.

A call to the Catholic youth of America to endorse and enlist in every enterprise for the building up of the country was to be sent out by the convention. A more complete assimilation of foreigners who will aid in the country's future, also will be considered.

M. A. McNelis of Oakland, the grand president, many delegates expected would be succeeded by John J. O'Brien, the grand first vice president of San Francisco. Sylvester A. Ariano of San Francisco, second grand vice president, would probably step into O'Brien's place should the latter be elected president, it was said. The convention will close Thursday August 21.

At the same time the Young Ladies Institute in the same district embraced by the Young Men's Institute, will hold its annual convention.

FREAK NAMES ARE LISTED IN ARMY

Paris Green Helps to Win the War. Only Fifty-three Thousand Johnsons Are Recorded on File Cards in Uncle Sam's Archives.

WASHINGTON, Aug. 18.—Paris Green helped win the war. So did a Little Kittle Karr and a Dinner Bell. All of them were in the army, according to file cards in the Bureau of War Risk Insurance. Green lives in Huntington, W. Va., Little Kittle Karr makes his home in Norfolk, Va., and Dinner Bell Page was rung into the service from Urlick, Mo. Some others who appear in the bureau's files are:

Asad Experience Wilson, Hook, N. D.; Mih Gosh of Chicago; Green Horn, of Statesboro, Ga.; Velvet Couch, of Brinkley, Ark.; Will Swindle, of Center, Texas; Slaughter Bugg, of Oscar Tarbin, La.; and E. Pluribus Brown of Perry, Ga.

Chocolate Candy Clark, Owen Money, Willie Darling, Great Britton Turner, Wiley Fox Hunter, Green Berry Anderson, Youstus Horrible Riner, George Sleeps From House, Handsom Pleasant Ayres, Green Hue Jackson, Lloyd George Parliament, Grief Grimes, Precious Eugene Grant, Free Office Graves, Huckleberry Shell, Isaac Didnot Butcher and Fine German also are listed.

The broad jump record in names goes to a resident of Salmon, Idaho, who hurdles five before he reaches the line. He is Harry Adolph Thomas Richard Eugene Bullock and the clerks in the bureau are tempted to disturb Mr. Bullock's continuity by punctuating him.

The clerks have found 49 ways of spelling Aloysius and 18 ways of spelling Ignatz. There were 53,000 Johnsons, 51,000 Smiths and 18,500 Walkers in the service. Forty-seven thousand Williames were with the colors. There were 51 Jose Rodriguez in the 374th Infantry.

Abraham Lincoln, George Washingtons, Robert E. Lees and William Jennings were in the service by the hundreds. Napoleon Bonaparte, or rather a dozen of him, fought for the United States. General Grant, General

Wellington and General Jackson so helped beat the Germans. A few Virgin Marys were in the line, too. These latter were largely men Latin descent. Orange Cobb of Mauna, N. C., and his son Lemon Cobb were in the service.

OHIO STRIKES DOWN MANY PROFITEERS

COLUMBUS, Ohio, Aug. 18.—Warrants charging Ohio profiteers with hoarding and profiteering were issued by the state of Ohio today. The arrests will follow immediately. Attorney General Palmer and Governor Cox will ask Federal authorities to confiscate 2,000,000 pounds of meat and poultry that have been laying in cold storage longer than allowed by the state law.

WILL STUDY ALASKA NATIVE

JUNEAU, Alaska, Aug. 18.—The way from Norway has come. Kreyberg of the University of California to study the Alaska natives and write their history. Dr. Kreyberg has an interesting theory treating the similarity between the faces, animals and figures drawn by the natives of Alaska and the drawings of the Egyptians.

MOTHER'S SCHOOL HOURS START FIRST

Mother's school days begin many, many hours ahead of Mary Jane—for it is mother's nimble fingers that shape, stitch and construct those dainty neat school frocks and this must necessarily be done in spare moments before the school bell sounds in September. Serges and Scotch plaids are the staple materials for school frocks. These two models are refreshed with those dainty round collars—like sister wears and both are belted.

Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well. What a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices in the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before

breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of inside bathing before breakfast.—Adv.
