'SAMBO' LEAVES SHINE PARLOR FOR COLLEGE

You'll miss his cheery greeting and golden smile when you step into the little shoe shining stand on the old courthouse lawn.

Clarence Williams, better known as "Snowball" or "Sambo" has left for college. The young negro left Sunday for Berkeley, California, where he will enter the University of California. He aspires to be a Journalist.

For months he has been shining shoes in Klamath Falls—two months ago he simply moved into his new location on the courthouse grounds. "Sambo" is the nephew of William Timms, who operates the popcorn stand at the corner of Fourth and Main. If he applies the same energy and willingness on his studies, as he did in shining shoes his friends are certain that he will succeed.
