PERKINS FURNITURE HOUSE

Now that the Elks have come and gone, we can get down to normal times again, and have a few minutes to plan for our new rug or rocker, or maybe a dining room suite. Also, you had better look that old stove over and decide to trade it in for a new range... Oh, yes; I have received my long-looked-for refrigerators, and if you need one you can save a bit of money by buying now. If it is a trade you have, call Perkins; if it is a sale you want, call Perkins; if it is to be repaired, call Perkins. Anyway, if you want to buy a new piece of furniture it will pay you to look our stock over before you buy. Bring your catalog in, and let's compare prices; mayhap I can secure you just what you want at the price you want to pay.

MORAN GRABS STALLINGS' 'MIRACLE MAN' HALO

Pat Moran has been vindicated. Let out as manager of the Philadelphia Nationals—after having won a pennant—Moran was in the late spring made manager of the lowly Cincinnati Reds. When his team got away to a good start the fans said "luck," but when his team took the Giants to a merry trimming last week and climbed into first place fans were aware that a new "miracle man" had arrived in baseball. Here is Moran, his wife and young Patrick, the greatest fan of them all.
