GOVERNMENT WILL RENEW WAR SAVINGS CAMPAIGN.

SAN FRANCISCO, Aug. 27.—The 1919 War Savings and Thrift campaign is to be taken up with renewed vigor for the remainder of the year throughout the Twelfth Federal Reserve District by the re-organized War Loan Organization, of which Robt. E. Smith is director and C. A. Farnsworth, formerly manager of the General Publicity Committee in the Victory Liberty Loan, is associate director.

In its essence the Thrift movement in America today is the Country's protection against a threatened invasion of the political and economic experiments now sweeping Europe. The lowly twenty-five cent Thrift stamp, offering as it does, the wage earner the opportunity of economic independence by regular investment of his savings in United States securities, promises to bring America back to the hardy thinking and independence of the men who built the Republic. The Thrift, saying, independent member no patience with those who would tear down America.

JOHN U. CALKINS,
Chairman War Loan Organization
and Gov. Federal Reserve Bank
of San Francisco.

YOUNG CLERGYMAN GREAT POLE VAULTER

PORTLAND, Ore., Aug. 27.—A brawny young clergyman, the Rev. A. Ralph Spearow, member of the Multnomah Athletic Club of Portland and pastor of a church in Oregon, is the champion pole vaulted of the Pacific coast and one of the best broad and high jumpers west of the Rocky Mountains.

In a meet held recently at Tacoma, Wash., Spearow swept over the cross bar at a height of 13 feet 3-8 inches, establishing a new coast record. The world's record is 13 feet 2 3/4 inches.

The athletic minister is 23 years old, 5 feet, nine inches tall and weighs 150 pounds.

HEAD OF OVER-SEAS TRADE RESIGNS HIS POSITION.

LONDON, Aug. 27.—Sir Arthur Steel-Maitland, head of the Department of Overseas Trade, has resigned his position, protesting that he has constantly been hung up by the hybrid political nature of the department.

The department of Overseas Trade is a comparatively new project of the government having been created specifically to provide neutral ground on which the Foreign Office and the Board of Trade might co-operate to further British trade interests. Responsibility to two masters is partly blamed for the difficulties Sir Arthur encountered.

ANTI-CLERICALS DECRY PASTORS IN PICTURES.

PARIS, Aug. 27.—French anti-clericals appear to be taking alarm at the frequent appearance of bibles and pastors in American moving pictures. M. Aulard, the historian, in an article decrying the far west films, says enough has been seen of the sentimental bandits, and appeals to Americans to keep them for themselves along with their pastors and their bibles. He adds that they give a false idea of the American people.
