OFFICERS OF ARMY REGISTER FOR WORK WITH GOVERNMENT

WASHINGTON, Aug. 29.—To date, 1700 officers and ex-officers of the American army, the greater portion of them men who have seen service with the Expeditionary Forces in France and elsewhere, have registered with the War Department in Washington as applicants of position. It is today announced by Colonel Arthur Woods, Assistant to the Secretary of War, who is at present conducting a nation wide drive for the re-employment of these men.

Salaries expected by these men vary between \$750.00 and \$6,000.00 per year. A number of the applicants desire to continue in the work in which they have had experience before the beginning of the War. Others on the basis of their military training, desire to enter into new fields and are willing to accept correspondingly low salaries until they have proved their worth. The list includes business men, professional men of all sorts, technical and members of a variety of other lines of activity. Some of the specimen histories of these officers are given below.

The list includes men desiring managerial work, teaching, editorial work, engineering, export and import, research and organization, tutoring and teaching, bond salesmanship, mining, newspaper, magazine or publicity work, social service, tobacco business, architecture, law, rubber business, chemical or dye-stuffs business, salesmanship, aeroplane work, wool business, steel, iron and coal operation, marine insurance, accountancy, work in Japan, shipping, automobile work, admiralty law, manufacturing, chemistry, etc.

Employers needing men who, by virtue of their experience in the army and because of the responsible positions they held during their service are fitted to be first-rate executives, men with a sense of order, with punctuality, reliability and executive powers, are urged to apply directly to the office of Colonel Arthur Woods, Washington, D. C., in order to be put directly in touch with these men.

AGITATION AGAINST UNION OF CHINESE WITH MEXICANS

EL PASO, Texas, Aug. 29.—Agitation against the marrying of Chinese men and Mexican women is spreading in Sonora, Chihuahua and other West Coast states of Mexico. This has long been a source of much ill-feeling against the Chinese, as many have married Mexican women in the north. Villa gave this as his reason for killing many Chinese at the time of his campaign in 1917, and was credited with saying the Chinese were trying to make a "yellow race" of his people.

SAGE TEA TURNS GRAY HAIR DARK

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred fold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

ANCIENT IDOL DUG UP IN SAND NEAR EUREKA.

KALISPELL, Mont., Aug. 29.—An idol pronounced officially by the Smithsonian Institute, Washington, D. C., to be of Aztec origin and at least 10,000 years old, has been dug up in a sand pit near Eureka. The idol is of stone and is about ten inches high. It is evidently of a god, who sits on his legs with his hands folded in his lap. The object has a Chinese appearance, but photographs sent to Washington brought the prompt reply that it is an Aztec idol. The sculpture is of a high character. The expression of the face is artistically terrifying and the proportions of the figure, and the pose are natural in every way.
