"LABOR"

The foundation of prosperity. It is YOU who makes the world go 'round. It is YOU who provides happiness and cheerfulness in our homes; and it is YOU who make great cities out of villages. And it is up to us to make conditions worthy of your efforts.

This house stands ready to assist the laboring man to its full capacity; we will strain every effort to please, and take a personal interest in a body of men who make our success possible. We extend to you all an invitation of hospitality and fair treatment.
