In Our Ad of Thursday
We Asked:

DO YOU WANT THE HIGH COST OF LIVING REDUCED?

We are going to put it up squarely to Klamath People. We will do our part, but it takes two to make a bargain. We are going to
CUT THE PRICE ON ALL GOODS

for Cash, and for Cash only. This does not mean that we shall do away with doing a thirty-day credit business, but it does mean that YOU will get the benefit of lower prices when you pay cash for the goods.

Now let's see how it will work out.

For cash we will allow you five cents on the dollar; in other words, if you buy a sack of Winnek's Special Flour it will cost you \$3.20 a sack to have it charged; if you pay cash for the sack of Winnek's Special Flour, it will cost you \$3.04; and so through the entire line of groceries except sugar and eggs.

All SPECIAL SALES hereafter will be for cash and at net prices.
