LIBRARY CLUB WILL GATHER ON FRIDAY

On Friday afternoon, at 2:30, The Woman's Library Club will hold its first meeting of the club year, in its club rooms in the Library Building. This will be an open meeting and tea to welcome new and prospective members. All new comers to Klamath Falls, and women interested in club work and library affairs are cordially invited to attend and it is hoped that all old members will make a particular effort to invite strangers. The subject for discussion will be "Our Library and its Needs" and there will also be a general discussion and planning of the coming year's work.

The regular work of the Philanthropic Department will be continued. That department has served as a clearing house for clothing for the needy and always stands ready to help in any philanthropic work in the city.

The Study Department will again resume its monthly meetings after a lull of a year, while the club did no work. This year's work has not been decided upon. As this is the only club of unlimited membership doing strictly cultural study, all women so inclined are invited to become active in this department.

The Woman's Library Club owns and maintains the Public Library on Main Street. It is a member of State and General Federation of Women's clubs and aims to follow the general line of women's club activities. Its officers for the 1919-1920 are:

President, Mrs. J. H. Garrett, 1st Vice President, Mrs. G. A. Krause, 2nd Vice President, Mrs. H. R. Harrison; Secretary, Mrs. W. P. McMillan; Treasurer, Mrs. W. D. Cofer.

MANY ATTEND LOCAL MEETING OF LEGION HELD LAST EVENING

Opening of the lands on Lower Klamath Lake and Tule lake for use by many people in order to bring additional settlers to Klamath County and the keeping of the lands from coming into the hands of large corporations were talked over and thoroughly discussed at the regular meeting of the local post of the American Legion that was held last night in the council chambers of the City Hall.

"I feel that we should do all in our power to see that these lands do not get into the hands of large corporations," said Winfield Foster, in discussing the matter. "We should do all in our power to see that service men and the community at large get an opportunity to utilize these lands."

Matters of import to be taken up by post delegate Dr. Fred Westerfeld at the state convention in Portland, were discussed during last night's meeting. He was given full authority to take up any matters of that the post had already passed on and sanctioned. Close to 35 members attended last night's meeting, six or more being from Merrill and nearby districts. The next regular meeting will be held on the second Tuesday in October.

Service men who are scattered over Klamath county are urged to send in their initiation fee of \$2 and monthly dues of 50 cents, which will entitle them to full membership in the organization.

LEAGUE OF NATIONS PANACEA FOR ILLS

BISMARCK, North Dakota, September 10.—President Wilson told his audience today that the issue involved in his speech-making tour was the "question of war or peace."

The only way peace could be maintained was by such concert of the nations as was proposed in the League of Nations, declared the president. "Should the movement fail the heart of mankind would be overwhelmed by despair which would result in chaos. 'If we stand out or qualify our acceptance in any way then the world will say 'there can be no peace.'"

SUNDAY EXCURSIONS STOP ON UPPER LAKE

Calkins & Hamilton have decided to discontinue their regular Sunday excursions to points on the Upper Klamath lake, for the reason that travel has fallen off so that it is no longer profitable to run their boats on that day. This does not mean however, that it will be impossible to get accommodations. For the convenience of those who desire it, it is still possible for them to charter one of the boats of this firm. The regular week-day schedule will be maintained until the lake is closed for the winter.
