## IRISH WORKERS START STRIKES

DUBLIN, September 10.—James Larkin having cabled from the United States to his sister that he hoped soon to be at home in Ireland "with the old guard," there is some disappointment among his followers here because both the United States and British governments have refused him, as stated, the necessary passports.

The Irish Transport Workers' Union which he founded, meanwhile, has not abated any of its activities in his absence, and has carried out in various parts of Ireland a number of embarrassing and sometimes successful strikes. At present the harvest is in danger and the cattle trade is obstructed in the midland counties by transport union walkouts of the agricultural laborers, and in Dublin there is the novel feature of a strike of grave diggers belonging to this union which has succeeded in closing the great Catholic cemetery at Glasnevin.

The report of the organization for the past year shows an increased membership from \$3,796 to \$6,827 in 710 branches. The finances show a credit balance on the year of nearly \$90,000. Nearly \$55,000 was paid out during the year in strike benefits.

Larkin's most recent public appearance in America was at a Socialist mass meeting in New York last June.

## BRITISH COLONEL LEAVES FORTUNE

HONOLULU, T. H. Sept. 10.—Col. Henry M. Henderson, of the British Army, killed in France in 1917, died ignorant of the fact that he was a wealthy man with a fortune of between \$250,000 and \$300,000 held in trust for him in Honolulu. Colonel Henderson, a veteran of the Boer war had never been in Hawaii. His parents live in Red House, Tenby, County Pembroke, England, and depositions made by them and sent here in connection with the administration of their late son's estate, revealed an unusual story.

More than 40 years ago, when her son was an infant, Mrs. Henderson thru Honolulu agents, purchased for him 35 shares in an Hawaiian corporation, placing them in trust with instructions that the revenue be reinvested in Hawaiian securities. Her plan some day to inform her son of his Hawaiian holdings was never carried out. A large fortune now reverts to her as the fruit of a small investment made nearly half a century ago for her son.

## BASEBALL'S NEW "MIRACLE MAN"

Pat Moran

George Stallings was the original "miracle man." He made the Braves win a pennant. He has been outdone by Pat Moran. Released by the Phillies last season, Moran, on the advice of Manager McGraw of the Giants, was engaged as manager of the poor old Cincinnati Reds. At present those same Reds are leading the National League, and don't seem to care whether Manager McGraw's pet finish anywhere. This photograph was taken while Moran was watching the Reds win a double-header from the Giants. The Reds made a good job of it by winning four out of six games in three days.

## DATE CHANGED FOR ARRIVAL

The excursion of the Portland manufacturers and jobbers that was originally scheduled to arrive in Klamath Falls the latter part of this month will not reach here until the week of October 13-18 according to advices received from A. G. Clark, manager of the Associated Industries of Oregon.

The change in the program was thought advisable in that the week of October 13-18 is to be made an Oregon Product's Week. Prizes will be awarded by the manufacturers for the best window displays by merchants over the state, during the week. Three prizes of \$25, \$15 and \$10 will be offered to merchants of Klamath Falls for the best displays that are arranged.

## DISQUE'S SPRUCE TOTALS BIG SUM

PORTLAND, Sept. 10.—A Welch, formerly interested in a sawmill at Toledo with J. O. Story, testified before the Congressional committee that spruce produced under Disque's Administration in Yaquina Bay District, cost \$1000 for 1,000 feet exclusive of expenditures for railroads and mills. Including these the cost would be \$5,000. Other testimony was to effect that the Warren Spruce company conducted negotiations for the acquisition of the Bioggett tract in Lincoln county previous to construction of the railroad to it. According to testimony officials of company threatened the agent for Bioggett interests that unless the tract was sold Disque would commandeer it. P. S. Brumbey was the Bioggett Agent.

## BE PRETTY, TURN GRAY HAIR DARK

TRY GRANDMOTHER'S OLD FAVORITE RECIPE OF SAGE TEA AND SULPHUR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, gray or streaked. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

## THEY HAD TO SEND FOR HER MOTHER

MRS. GIST SUFFERED COMPLETE BREAKDOWN—GAINS THIRTY-THREE POUNDS TAKING TAN-LAC

"When I began taking Tanlac I weighed just one hundred pounds, and after finishing four bottles of this medicine I now weigh one hundred and thirty-three," said Mrs. Myrtle L. Gist, residing at 326 Chestnut Ave., South Pasadena, Los Angeles, Cal. Mrs. Gist is the wife of a well known member of the Los Angeles Police force, and her improvement since taking Tanlac has created a good deal of favorable comment among her neighbors and friends.

"But making me gain thirty-three pounds isn't all Tanlac did for me," continued Mrs. Gist, as she told of the wonderful change. "I had been in a dreadfully run down condition for three years and finally suffered a complete physical breakdown. I had no appetite and the little I ate didn't agree with me. I was so dreadfully nervous I could get no restful sleep and would often lie awake all night long worrying over my condition. Practically all my strength left me and I lost weight until I was almost a shadow."

"My condition finally got so bad they sent for my mother in Oregon to come here and stay with me and when she got here I was down in bed hardly able to raise my head from the pillow. Mother said she had several friends in Oregon who had taken Tanlac with wonderful results and she got me a bottle of the medicine. It seemed to help me from the very start and in a few days I started to get hungry. Then I began eating nourishing food and could feel my strength rapidly returning. I began to sleep soundly and would wake up in the mornings feeling rested and refreshed and I soon was able to walk

about the house. I improved every day and now I feel simply fine, have a splendid appetite and can eat just anything I want and enjoy it without any bad after effects. As I said before I have actually gained thirty-three pounds and for the first time in many months I am able to do my own housework without any trouble. I now feel so happy over my wonderful improvement that I just get out in the yard with my two children and romp and play with them and enjoy it thoroughly. I will never cease praising Tanlac for the wonderful change it has brought in my life."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorella by the James Merc. Co.—Adv.
