PHYSICAL AILMENTS NO DETRIMENT FOR AMBITIOUS BRITON

LONDON, Sept. 12.—Blind and deprived of both hands, Sergeant Alan M. Nichols of the Second Durham Light Infantry refused to be classed as an "unemployable" and today can write letters as proficiently as any normal stenographer. Nichols' restoration to a self-supporting basis was accomplished thru patient training, a specially constructed typewriter, a pair of artificial aluminum hands and his own indomitable spirit. Recently he passed a writing test of two hours and fifteen minutes, his "copy" necessitating only two corrections.
