At the Theatres

"A Man of Honor," the Screen Classics, Inc., production which will be shown at the Liberty theatre tonight, is the last picture made by Harold Lockwood and is considered by critics to be the biggest thing that he ever accomplished.

In a vivid romance of love and adventure which shows how a man of honor over-rides a band of dishonest schemers and gains wealth instead of ruin for thousands of trusting investors. How he goes to a beautiful tropic island and not only discovers pirates hold but also finds love, success and happiness, is glowingly told amidst scenes of the most beautiful and gorgeous description.

Incident follows incident in quick succession—showing raging tropic hurricanes which sweep away entire villages, intrigues which aim for the downfall of the young hero, adventures which show his mettle and courage, and the discovery of pirate gold in a manner calculated to amaze. Then, too, there is a romance of rare beauty and charm, where a beautiful girl discovers that she is in love with that ideal being—a man of honor. The picture is based on Henry Kitchell Welster's celebrated novel.

Supporting Mr. Lockwood are Bessie Eyton, Stanton Heck, William Clifford, Bert Starkey, Gordon MacGregor, and Pomeroy Cannon. The picture was directed by Fred J. Balshofer, with Edwin Carewe as managing director.

This is your last opportunity to see Harold Lockwood as he made this picture just before his death the past winter.

...
A hoodoo can be more pestiferous than a mosquito. If a man is born

on Friday the thirteenth, he is doomed to a life that is a joke to others and a nuisance to himself.

George Walsh proves this conclusively in his latest William Fox comedy, "Never Say Quit," which will open tomorrow at the Liberty Theatre.

The jinx is after him from the day he is born. He is beaten and the jinx grins contentedly. His aunt leaves him a fortune. The jinx makes sure he does not get it, try as he may. He sets out on a treasure hunt, and the jinx finds him a wife. He settles down to married bliss, and the jinx presents him with weeping triplets.

Reginald Jones and thirteen are ever on the warpath and thirteen always come out on top.

A Swiss milkmaid with a musical singing voice obtains better wages than one who cannot sing, as a cow that is soothed with a pleasing melody during milking will, it is said, yield one-fifth more milk.

Adds years to the life of your car

Correct lubrication with Zerolene means better performance and longer life for your car. By exhaustive study and actual tests the Standard Oil Company Board of Lubrication Engineers has determined the correct consistency of Zerolene for your make of automobile. Their recommendations are available for you in the Zerolene Correct Lubrication Charts. There is a chart for each make of car.

Zerolene is correctly refined from selected California crude oil. It keeps its lubricating body at cylinder heat, holds compression, gives perfect protection to the moving parts and deposits least carbon. It is the product of the combined resources, experience and equipment of the Standard Oil Company.
