A Woman for Vice President?

MRS. GEORGE BASS

With the woman vote in national presidential elections one of the biggest factors facing leaders of the big political parties, the question, "Will a woman be vice-president?" is now confronting politicians. Among the possible candidates already being considered are Mrs. Medill McCormick, chairman of the Republican Women's National Executive Committee and Mrs. George Bass, a leader in the Democratic Women's National Party.

"Here's a Friendly Tip" says the Good Judge

Men who know tobacco, chew the best without its costing them any more. They take a little chew and it's amazing how the good taste stays in a rich, high grade-chewing tobacco. For lasting tobacco satisfaction, there's nothing like a small chew of that rich-tasting tobacco.

THE REAL TOBACCO CHEW
put up in two styles
RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

POST-DATED CHECKS

DON'T date a check ahead or issue it for more than your immediate bank balance—even though the payee promises to hold until such a time. Such a check being presented, would be rejected—possibly to your embarrassment.
