Society

On Tuesday evening Mr. and Mrs. Don Belding, who have recently come to make Klamath Falls their home, entertained at Five hundred for a number of the younger set here. A jolly evening was passed during which a delightful little luncheon was served by the hostess.

The guests were: Mr. and Mrs. Clifford Sevits, Mr. and Mrs. Forest Peil, Miss Faye West and William Ganong.

Miss Fay West was hostess at a dinner Tuesday evening, which was in farewell to Miss Marjory Delzell and Miss Clara Calkins. After the dinner other guests were asked for a live party at the Star theatre.

The W. O. Smith home on Conger Avenue, Wednesday night, was the scene of a delightful birthday party in honor of Miss Margaret Hargus, daughter of Mrs. Smith.

The young ladies who were the guests of Miss Hargus spent the evening dancing and playing games, after which dainty refreshments were served. Those present were: Katherine Ulrich, Elizabeth Manning, Frances McLain, Sybil Bamber, Beatrice Walton, Marion Wortley, Lena and Letha Miller.

A pleasant surprise was in store for Harry Thrasher Wednesday, upon his arrival home after work, the occasion of the surprise being his birthday.

Those who assisted Mrs. Thrasher in surprising her husband were Mr. and Mrs. G. N. Thrasher, James Thrasher, Al Walker and C. A. Schallhorn.

Tuesday Miss Waive Jacobs took advantage of the lovely weather and urged by the nearness of the closing date of Crater Lake National Park, started by car with a party of friends on a picnic trip to the rim. The day

was perfect and the party report a wonderful time.

Those who enjoyed Miss Jacobs' hospitality were Mr. and Mrs. S. O. Dearing, Mrs. Alice Bell and Harry Chang.

Mr. and Mrs. A. M. Worden entertained at a delightful dinner and evening in their home on Washington street the first of the week. The affair was in the nature of a farewell honoring Miss Marjory Delzell and Miss Maybelle Leavitt, who left this week for the University of Oregon.

Those present were Miss Mabel Mears, Miss Pearl Leavitt, Miss Maybelle Leavitt, Miss Marjory Delzell, and Mr. and Mrs. A. M. Worden.

The P. E. O. Society had a get-together party last Tuesday evening at the Sid Evan's home on Ninth Street. The home was beautifully decorated with autumn leaves, flowers and stars. Games were played for a part of the evening, after which lunch was served. Mr. A. M. Collier then entertained with a first class moving picture show, which was greatly enjoyed.

Those present were: Mr. and Mrs. Groesbeck, Mr. and Mrs. A. M. Collier, Dr. and Mrs. Johnson, Mr. and Mrs. Sid Evans, Miss Vera Houston, Mrs. Collier's sister, Miss Porter, Johnnie Houston and Mr. Porter.

CRIMINAL HUNS TO BE BROUGHT TO TRIAL SOON

BRUSSELS, Sept. 26.—The time of reckoning for German criminals is approaching. The Belgian Department of Justice is hastening work on the list of enemy subjects accused of violations of the laws of war and of international law. The treaty of Versailles give to Belgium the right to demand the extradition of these persons but it must be done within one month after ratification.

The preparation of the list of persons to be extradited is a delicate task. The documentary evidence is necessarily incomplete as to the identity of particular persons. Many crimes were committed by troops and the individual authors in numerous cases were unidentified or their chief unknown. However, the treaty allows considerable leeway in that it permits extradition by designating guilty ones by their titles or employment. Judges have been making inquiries and a commission, instituted by royal decree on February 15, 1919, is continuing its investigation of all infractions committed by Germans. Instruction have just been given to hasten the work.

YANKS GAIN IN COAL MARKETS THRU EUROPE

LONDON, Sept. 26.—British industrial interests view with alarm the gaining of a foothold by American exporters in the coal market of France and Denmark. Industrial disputes in Great Britain have given American dealers a opportunity to obtain huge orders in quarters formerly supplied exclusively by South Wales mines.

American dealers are said to have contracted for the delivery of over 100,000 tons of coal in France and negotiations are now under way for an additional half-million tons. One or two cargoes of American coal already have been laid down in Denmark as sample shipments, orders for which were placed last March during the strike in England. It is stated. The price was said to be \$2.50 per ton lower than the English price at that time.

The iron and steel industries of England also are said to feel their outlook is not very hopeful because of opportunities afforded American competitors through the curtailed English coal production.

HAVE DARK HAIR AND LOOK YOUNG

NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

SUGAR POPULAR NOW IN PARIS

PARIS, Sept. 27.—A truck driver was unloading a load of sacks at a restaurant in one of the boulevards when one of them burst and its contents were spread over the sidewalk. A crowd gathered. One of the young men wet his finger and tasted the white powder.

"Great heavens," he replied, "it is sugar."

Then the pillage began. Newspapers, handkerchiefs and women's handbags served as receptacles for the precious dainty. In a few minutes there remained of that bag of sugar nothing but a white spot on the sidewalk around which congregated little dogs.

Everyone is allowed two pounds of sugar per month in France upon production of his sugar card. The correspondent has produced his card about a dozen times since the beginning of the month but he has not yet been able to obtain his August quota.

GERMAN OFFICERS BEING REDUCED

WITH THE AMERICAN FORCES IN GERMANY, Sept. 27.—Officers for the new German army permitted under terms of the peace treaty are to be chosen by selection of the first, and the German war ministry has already taken the first step in the selective process. There are 20,000 officers still in the service and as the number must be reduced to 7,000 by March 31, 1920, a large field of choice is available.
