# CLASSIFIED ADVERTISING

## WHAT IS IT?

It is the best paying class of advertising in the world if you have something to sell that belongs among little ads that you find in The Herald.

## JUST TRY IT ONCE

If you have something in your attic, your basement, your spare room, your barn, around you anywhere that you want to sell, try The Herald classified ads and you will find a buyer.

## IF YOU WANT SOMETHING

Advertise for it, trying The Herald's classified ads. Someone has something for sale that you want. Let The Herald find it for you. It costs you but a few cents a day.

Classified ads cost you 5 cents a line a day—five words to the line. They must be paid for in advance and cannot be received over the telephone—that is why they are so cheap.

### DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so food and drink taken each day leaves in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking, and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowels pores do.—Adv.

Best yet. Herald Want Ads.

### Where The Dickens are We Safe.

Can a Man who occupies a cell in a City Prison feel secure from hold-up men?

In San Francisco, the other day, Police Lieutenant Thomas Tobin, prison keeper, and Corporal Fred Norman, in charge of the booking, were startled by cries of "Help-Thieves! Robbers! They're choking me!"

They ran down the row of cells and found Obrson, alias Larkin, squatting on the floor and looking rather mused. He told how three prisoners had set on him, one choking him, a second threatened to knock his head off, while the third went through his pockets and extracted his bank roll, \$2.50.
