FRANCE NEEDS GERMAN MONEY

PARIS, Sept. 4. (Correspondence of the Associated Press.)—The impending resumption of commercial relations with the enemy of yesterday is causing the French public at large a good deal of misgivings. Many would keep the German out at all cost, but cooler heads realize that France cannot afford to close the door on a customer of a billion francs annually. There is however, a fairly unanimous feeling that if the German is to come back to France, he must come back in some recognizable shape and not disguised as often before.

Incidents such as the following do not serve to put the public mind at ease. A woman of good social standing of Lille recognized yesterday, in the person of a cashier in one of the big department stores of Paris, a former German officer. She and good reason to remember him as one of the invaders who had been quartered upon her home in Lille.

Challenged as to his identity, the man stoutly denied his Teutonic nationality. He spoke French perfectly; his papers were to all appearance in order, and the accuser at first found scant credence on the part of the management. Then she remembered that the man had once boastfully exhibited his arm, on which the portrait of the former German Emperor was tattooed. The cashier-officer was dismissed and the newspapers are now demanding that employers shall be held responsible for the civil status of their employees.

WAR MOTHERS TO GREET BELGIANS

BALTIMORE, Md., Oct. 3.—An effort is being made to arrange for the visit of the King and Queen of Belgium to this city to coincide with the sessions of the second annual convention of the War Mothers of America, which is to be held here October 7, 8 and 9. Addresses by A. Mitchell Palmer, attorney general of the United States and William Mather Lewis, director of the savings

division of the United States Treasury, will form a principal part of the program.

It is expected that the convention will attract a large number of women who are not affiliated with the War Mothers as it proposed to discuss during the sessions the amalgamation of the various organizations of women relatives of men and women who were in the United States army and navy during the world war.

Mrs. Robert Carlton Morris, of Toledo, O., the first national president of the organization, will conduct a memorial tree planting in one of the local parks as one of the features of the convention.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of foot.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humber!

New Insurance Idea.
To stimulate marriage several insurance companies in Great Britain are now issuing what is called marriage insurance. It provides for payment of \$2,500 at the expiration of 25 years or earlier, at death of the assured, and, in addition, \$500 in respect of each of five children born after the date of the policy who attain the age of twelve years, payable by five installments of \$100 each on the twelfth and four succeeding birthdays.

Propaganda.
A doughboy who had just returned from Coblenz was talking to a very estimable elderly woman—a straight-laced church member.
"How did you like it up in Germany," she asked.
"Oh, we got along very well with the Germans," and, with a big broad smile, he added, "and had all the good German beer that we wanted to drink."
"More German propaganda," exclaimed the elderly woman.

Sight-Seeing From the Air.
To show the scenic wonder of the west from the air, escaping the rough trails and rocky barriers that often screen the rarest vistas—that is the prospect offered to tourists who make Salt Lake City their "going-in" point for sight-seeing trips, says Popular Mechanics. Five specially designed airplanes have been prepared for the work of carrying travelers to, and over, the beauty spots of the region, some hitherto inaccessible.

Concert by Telephone.
hour's concert over the telephone. Paving department store, wishing to call attention to its music machine records, is increasing sales by giving an hour's concert over the telephone. Patrons wishing to enjoy the new records called the store's music department at the appointed time and "listened in."

"Helpful Hints"
"SELF" vs. "CASH"
IN withdrawing funds from a Checking Account for your own use—it is better to make your check payable to Cash than to Self. In the latter case, it would be necessary that you endorse check when presenting it. A check drawn to Cash, however, should not be lost, for it is negotiable by anyone.
Opening and maintaining a Checking Account at the First National Bank is simple in method and sensible in principle.
