'IT'S GRAND' MRS. ROGERS STATES

CULDN'T EAT MEAT OR BREAD FOR TWO YEARS—GAINS 18 POUNDS TAKING TANLAC.

"No one could see the wonderful change that has taken place in me during the past few weeks and doubt Tanlac being a grand medicine," said Mrs. Louise Rogers, who resides at 4017 Brooklyn avenue, Los Angeles, Cal. In an interview, recently, Mrs. Rogers lived for six years in Wenatchee, Washington and her many friends there, as well as those in California, will be glad to learn of her complete recovery.

"I have been in perfectly wretched health for the last four years," she continued, "and had become almost a nervous and physical wreck. I suffered from nervous indigestion, liver trouble and disordered kidneys, and I don't believe I had a well day in all those four years. I had indigestion in its worst form and every time I ate anything I would bloat up with gas until I was miserable. For over two years I did not eat any bread, milk or meat, and just had to live on the very lightest of foods. I fell off twenty pounds in weight and suffered so with pain and nervousness that sleep was almost impossible for me. I was under treatment for

eighteen months but kept getting worse so I gave up and I just became so discouraged and despondent that I lost nearly all hope of ever getting any better.

"In April of this year my condition became so serious that my husband thought I was going to die. He finally decided a health resort might help me, but I was so low I had to be carried and have an attendant all the time. It was then that I was persuaded by a lady from Vancouver, B. C. to try Tanlac and got my first bottle. Well, I have never seen or heard of anything like it. Honestly, in three days after I began taking it I noticed a change for the better. I am now on my fifth bottle of Tanlac and have actually gained eighteen pounds. The medicine has just renewed my whole life and built me up until I am like a different person. I am eating three good meals a day now and am never troubled a particle with gas or any other signs of indigestion. My nerves are perfectly calm and now I sleep all night long like a child. In fact, my health seems to be just as perfect and I am so thankful for what Tanlac has done for me that I want to tell everybody about it."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in London by the James Merc., Co.—Ad.

DEAR ENOUGH EXPLANATION

WASHINGTON, Oct. 2.—United States Ambassador to London, Mr. Sumner Welles, has reported to Secretary Hughes that the American government at the London conference, announced that it would accept the plan for a new treaty between Italy and Ethiopia. The American action at the request of the British cabinet, was the report and was withdrawn as soon as British troops arrived in Italian territory.

ENLIGHTENED SENATOR

WASHINGTON, Oct. 2.—The Senate defeated the four amendments introduced by Senator Fall of the Senate by a vote of 54 to 39.

Fall's amendments were for a series of amendments designed to stimulate American representation on any commission established by the League of Nations. Today's vote is generally accepted as a test of the Senate's attitude on similar amendments still to be considered.

KEEP URIC ACID OUT OF JOINTS

TELLS RHEUMATISM SUFFERERS TO EAT LESS MEAT AND TAKE SALTS

Rheumatism is easier to avoid than is absorbed into the blood. It is the cure states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat, but drink plenty of good water.

Rheumatism is a direct result of eating too much meat and other rich

foods that produce uric acid which function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating thru the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water, and drink before breakfast each morning for a week. This is said to eliminate uric

acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes

SOME SHIP FIRMS GRANT INCREASES

PORTLAND, Oct. 2.—Union leaders said today that 2,500 shipyard workers were out on the strike affecting local yards. Operators of the plants declare not more than half that number are idle.

Three hundred employees of the Standifer Corporation walked out of the Vancouver yards today and the Peninsula and Coast companies have shut down.
