## WOMAN'S BRAVE SPIRIT CARRIES ON TO VICTORY

LOS ANGELES, Oct. 6.—The high cost of living—including the high cost of traveling—means nothing to Mrs. Adah Bradley, who has just arrived here with her six children after traveling from Silver Lake, Oregon—a distance of 1,500 miles—at a total financial expenditure of 50 cents.

Eastern Oregon having gone there as organizer for a band of Baptist missionaries and remaining to marry a rancher and become the mother of six. More than a year ago, she said her husband left home and she had not seen him since. He left behind him an elderly horse and a two-seated carriage, minus a top, but equipped with loose spokes in the wheels.

Finally, in despair at her situation, Mrs. Bradley put her six children, a frying pan and all the family clothing into the carriage, hitched the old horse to it and started for Los Angeles. She had just 50 cents in cash, but much courage.

The day of their departure was May 15, 1919. They made the trip in a little less than four months. They stopped at friendly farm houses and when they reached an orchard where the crop was being harvested, she went to work. Esther, her eldest child, 12 years old, helped her. Homer, 11, the only boy, did the same. Rose, 9, did what she could along the same line. Mary, 7, took care of Iris, 4, and Grace, 2, the baby.

"We had to suffer hardships, of course," said Mrs. Bradley, "but we found the hearts of all the people we met were big. What we want now is a place to start life again."

### DRESS WARM AND KEEP FEET DRY

TELLS RHEUMATISM SUFFERERS TO TAKE SALTS AND GET RID OF URIC ACID

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this

acid from the blood and cast it out in the urine; the pores of the skin of this impurity. In damp and chilly weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating thru the system eventually settling in the joints and muscles causing stiffness, soreness, and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well. —Adv.
