WILLIAM LEWIS GAINS 22 POUNDS

TOOK TANLAC ON ADVICE OF
FRIEND HEALTH IS RESTORED

"Well, sir, I have gained twenty-two pounds since I commenced taking this Tanlac, and I am so well and strong that I can do as hard days work now as I ever did in my life," said Wm. N. Lewis who for thirty-five years was engaged in farming, but is at present living at 938 E street, Tacoma, Wash. and is employed at the Todd Ship Yards, while talking to a Tanlac representative the other day.

"About a year ago," continued Mr. Lewis, "I went up to Roberts, Idaho, and while working on my homestead I noticed that I was failing in strength and health. I was losing weight and getting weaker day by day. This condition kept up for the whole time I was there, and at the end of the year I was almost a complete wreck. I had no appetite and the climate there seemed to affect my breathing. I finally got to where I would have to get out of bed at night and walk around in the yard for hours at a time in order to get a good breath. My physician told me that I would have to get out of that climate or I could not possibly live much longer. Then I gave up the homestead and came back to Tacoma, and when I got back here I was simply down and out in health.

"Shortly after I got back, a friend of mine told me about Tanlac and advised me to give it a trial, and after taking a couple of bottles of it

I felt so much better that I actually went to work doing hard labor like handling brick and steel. My appetite came back, and from that day to this, it just seems I can't get enough to eat. I have no trouble in breathing now, and can go to bed at night and sleep right through without a break until time to get up in the morning. That was twenty-two weeks ago, and I have gained an average of a pound a week ever since. I am as well and strong now as I ever was and am still swinging to my job at the shipyards and my work doesn't hurt me at all. Yes, sir, Tanlac is the best medicine I have ever seen and I expect to keep it on hand as long as I live."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorella by the James Merc., Co.—Adv.
