FAIR WARNING

During the past few years, material of all kinds, as well as labor have practically doubled in price, and yet a good many Klamath folks are carrying the same amount of insurance on buildings, furniture, stocks, etc... A fire would mean a very serious loss. Wouldn't it be wise to check up and get some additional protection... Get a STANDARD policy from Chilcote & Smith, 633 Main St., Phone 66 and we will do the rest. 17-3t

Give a Thought to Music

Winter is almost upon us, and those long, cold, windy nights which will soon be here make us think that our own fireside won't be so bad after all, especially if we have plenty of music.

Good music on a Piano or a Player certainly produces the pep in home life, quiets the nerves, and gives culture and refinement to the children.

Prices on our Behr Bros. Pianos and Players are still moderate and terms easier than one would imagine.
