### 'IS GRANDEST ON EARTH' SHE SAYS

MRS. DALEY GAINS SEVENTEEN POUNDS TAKING TANLAC THOUGHT CASE WAS HOPELESS.

"They said I couldn't live more than six months longer," said Mrs. Mary Daley of 530 Oak st., San Francisco, Cal., in conversation with a special Tanlac representative, recently, "but I'm still here and feeling fine. "I have actually gained seventeen pounds and a half since I began taking Tanlac," she continued, "and to look at me now no one could suppose I had been sick at all. But for several months previous to the time I got Tanlac I couldn't do my household work. I suffered from gastritis all the time, would bloat terribly, and always felt miserable. My appetite was gone and my stomach so weak that I felt nauseated most of the time. I was so nervous the least un-

usual noise would startle me. I could hardly sleep at all, had night sweats, and so run down and weak that the least exertion would exhaust me completely. I lost weight and kept getting worse until I was told I could not live more than six months at the rate I was going down hill.

"I honestly believe Tanlac is the finest medicine in the world. Nothing helped me until I began taking it and now I am just like a person made over. My appetite is just splendid and I can eat anything I want without the least trouble from it. And I don't think I have ever enjoyed sleeping so well and I always get up mornings feeling thoroughly rested and refreshed. My house has eight rooms but I can now do all the work with ease. Tanlac has certainly been a Godsend to me and I feel that I would be ungrateful not to tell others about it."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorells by the James Merc., Co.—Adv.
