Good oil is cheaper than parts

"A quart of oil"—any oil—is better than no lubrication.

But why not ask for Zerolene and know that you are getting Correct Lubrication?

Zerolene is correctly refined from selected California crude oil. It keeps its lubricating body at cylinder heat, holds compression, gives perfect protection to the moving parts and deposits least carbon. It is the product of the combined resources, experience and equipment of the Standard Oil Company.

Get a Correct Lubrication Chart for your car. At your dealer's or our nearest station.
