# Pompeian Beauty

No Pompeian Cream can possibly cause a growth of hair on the face.

### Instant Beauty

"How can I become more attractive — now — today?" First apply Pompeian DAY Cream (vanishing). It softens the skin and protects it from dust and weather; also serves as a powder foundation. Work the cream well into the skin — and this is very important — so the powder which you are soon to apply will not stick in spots. Now apply Pompeian BEAUTY Powder. Then a touch of Pompeian BLOOM. (Some people prefer to dust a little powder again over the BLOOM in order to subdue it.) At once you have an added charm of beauty with a fragrance which captivates the senses.

### In Cold Weather

the average skin needs Pompeian NIGHT Cream, to be

left on the face overnight and every night to soothe and soften.

In winter Pompeian MASSAGE Cream should also be used occasionally to invigorate the skin, while Pompeian DAY Cream (vanishing) can be used daily to make powder adhere to the skin and to protect it from the cold.

### Freckles

Pompeian Beauty Powder (brunette shade) is often successfully used in reducing the prominence of freckles. This is particularly true in the case of auburn-haired blonds.

### Pompeian BLOOM

A rouge that adds the final touch of youthful bloom. Imperceptible when properly applied. Do you know that a touch of color in the

cheeks beautifies the eyes, making them darker and more lustrous? Made in a cake that won't crumble. Sold by WHITMAN'S in three shades, light, dark and medium. (Medium is the popular shade.) Pure and harmless.

The medium shade of BLOOM should be bought for the first time if you are in doubt. Use the shade of BLOOM which your own light, medium or dark complexion suggests.

### Pompeian HAIR

#### Massage

A Liquid for Dandruff.

The hair cannot stay healthy and beautiful if dandruff is present. Thin, scraggly, dead-looking hair is often caused by Dandruff.

For Dandruff, nearly everybody has tried some prep-

aration either over-perfumed or actually disagreeable in itself. Pompeian HAIR Massage is neither. One bottle shows actual results. Every day we receive enthusiastic letters from users. Don't neglect your dandruff.

### Pompeian NIGHT Cream

Actresses' Ideals Fulfilled. What a wonderful tribute to the care of the skin is the complexion of the average actress! In spite of her strenuous stage life, the average actress has a clear, velvety, youthful complexion. Why? Largely because she uses creams nightly to put on and take off the make-up. This nightly use of cream gave us the idea for the use of Pompeian NIGHT Cream. This cream

fulfills the highest ideals of a soothing face cream, snow-white, pure and daintily fragrant. Especially good for Dry Skins.

### Pompeian Fragrance

(A Tale)

#### "Sweet as a May Morning"

"Pompeian Fragrance" is a perfumed message from the flowery fields of May. When first this enchanting fragrance greets you — just close your eyes. Swiftly you are swept away to a magical land of flowering meadows and shady trees.

There is real perfume in "Pompeian fragrance." The tale itself is the purest and highest grade, and soothing to the skin of any baby. Sold by all druggists in a beautiful purple and gold embossed package.

### YOUNG WIFE'S FIRST LESSON

Mrs. Newlywed Evidently Beginning to Learn Her Household Duties From the Ground Up.

The newly married man came home from his office happy. He was greeted as newly married men are greeted, with a kiss, and this, in fashion of his kind, he returned with interest. "Of course we shall go out to dinner, darling," he remarked. "Yes, dearest," replied the happy young woman.

"But one of these days we shall

have a dinner here, darling, shall we not, of your own cooking?"

"Of course, dearest," she replied. "I am getting along famously with my cooking lessons."

"And it will be such a change," he continued, "from the monotonous fare of the restaurants."

"There were more kisses. "Did you take cooking lessons today, darling," he asked.

"Yes, dearest."

"And what did you learn?"

"There was pride in her tone as she replied. "Today, dearest, I learned how to boil water."—Ohio Observer.
