LOS ANGELES WOMAN IN POOR HEALTH MANY YEARS—RESTORED BY TANLAC.

"Tanlac has done for me in just a few weeks what I have been trying for years to get other medicines to do," said Mrs. America Renaker, who lives at 1249 West 36th St., Los Angeles, Cal., while talking to a Tanlac representative the other day.

"My health has been very poor for a great many years," continued Mrs. Renaker, "but for the past six years my condition has been exceptionally bad. I had stomach trouble and indigestion in the worst way, and everything I ate disagreed with me. When I commenced taking Tanlac I had lost at least fifty pounds in weight, and was so weak and run down that I was hardly able to get about at all. My nerves were in terrible condition, and very often I would lie awake all night long. I had taken so many different kinds of medicines without getting relief I was completely discouraged over my condition.

"Tanlac had evidently not been introduced in California at that time, but I had been getting the papers from my home town in Kentucky and I read where several people there whom I know, had been greatly helped by taking Tanlac, so I sent all the way to Kentucky for a bottle of this medicine. It wasn't long after that before I noticed that Tanlac could be obtained here, and as the first bottle had been such a wonderful help to me, I just continued to take it until now I am enjoying perfect health again. Why, I have regained almost all I lost in weight. My troubles have been completely overcome, and when night comes now I sleep like a baby, and get up every morning feeling just fine. I have a splendid appetite and eat three hearty meals every day, and never suffer a particle afterwards. I will tell anybody that Tanlac is the best medicine I have ever seen, and am glad to recommend it to everybody."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Loretta by the James Merc., Co.—Adv.
