

Society

Among a number of unusually pleasant social affairs this week, two gatherings stand out in marked prominence, the American Legion dance in celebration of Armistice Day, Tuesday night, and the dance at the White Pelican hotel, at which Mrs. Carey Ramsby, Mrs. Bert Withrow, Mrs. Charles Martin and Mrs. Gerry Cox were hostesses.

Two hundred couples enjoyed the dance given last night at the White Pelican hotel, at which Mrs. Carey Ramsby, Mrs. Bert Withrow, Mrs. Charles Martin and Mrs. Gerry Cox were hostesses.

The White Pelican ball room floor was in perfect condition and the management of the hostelry spared no pains in arranging every detail that would aid in making the affair a success.

A number that drew universal applause from the crowd was the dancing of the Highland fling and other fancy dances by little Miss Joan Thompson.

The dance given by the American Legion at the Moose Hall Tuesday night was undoubtedly one of the most successful of the season. The Legion had as their guests ex-servicemen and their women relatives and friends, and the members of the Woman's Relief Corps.

Mrs. Marjorie Gallagher of Willows, California, delighted the guests with a vocal solo.

J. H. Carnahan, president of Klamath Post No. 8, of the American Legion, delivered an address of welcome. Mr. Carnahan told of the purposes of the Legion and extended an invitation to all ex-servicemen, not already members, to join.

Mrs. Verie Brubaker entertained the Kedron Club at her home on the street Thursday evening. After the business meeting there was a pleasant social hour.

A meeting of the Women's Foreign Missionary Society of the Methodist church was held Wednesday afternoon at the home of Mrs. S. Elliott in Hot Springs Addition. There were fifteen ladies present.

Mrs. Louis Bradford entertained at her home on Lincoln street Saturday evening, in honor of her husband's birthday. The evening was passed in playing cards, the high scores being won by Mrs. O. L. Brown and Mr. Sid Evans.

Miss Minnie Barnum entertained at two tables of cards last Saturday evening. Those present were: Mr. and Mrs. J. E. Bratton, Mr. and Mrs. C. Hogue, Miss Faye Hogue, and Mrs. Carey M. Ramsby.

The "U" Chapter of P. E. O. society met at the home of Mrs. V. Brubaker last Saturday evening. Three new members, Mrs. Bert Thomas, Mrs. Orva Orem Earnest, and Miss Frances Beatty were taken into the Society.

The Musical Study Club held its regular meeting at the home of Mrs. Charles Wood Eberlein this afternoon.

The Woman's Library Club held a very interesting meeting yesterday afternoon. The members were addressed by Dr. Claire Stewart, who gave an instructive talk on her work among the munition plants during the war period and the conditions as she found them.

Klamath Falls Music House

Home of the New Edison which solves the Mystery of Music

Edison waves his wand—and the secrets of nature and science reveal themselves.

Think of his inventions! Electric Light! Motion-Pictures! Phonograph! Each is founded on his discovery of some mysterious secret of nature, some strange law of science.

People ask: "How is it possible for music to be literally RE-CREATED?" Yet Edison found out.

THE New Edison

"The Phonograph with a Soul"

is in a class by itself, because, as Sigmund Spaeth, the distinguished New York music critic, says: "Edison alone has mastered the secret of tone-color. This makes his record an artistic RE-CEATION instead of an imitation of something whose reality must be left largely to the imagination of the hearer."
