COMMUNISTIC
PROGRAM GAINS
GROUND, POLAND

BERLIN, Oct. 15. (By Mail.)—
The "Vorwarts" says it has received
information indicating that the
Communist movement is rapidly
gaining strength among the wage
earners of Poland. Lack of em-
ployment and shortage of food are
stated to be the chief contributory
causes. The food situation still
continues serious, it is alleged, dis-
pite the supplies received from
America.

According to the most recent
figures, the number of unemployed
in Warsaw is fully a hundred
thousand. In Lodz and other large
industrial centers it is reported
that the ranks of the workers are
constantly increasing.

The growth of communism has
been greatly accelerated by the
return of late of a number of Polish
communist leaders from Moscow
who have proved very apt pupils of
Russian methods.

POSSE ABANDONS
HUNT FOR I. W. W.

CENTRALIA, Wash., Nov. 19.—
Posse members have given up the
search for I. W. W. reported to be
in hiding in the timbered country
in the Hannaford valley. Officers
said they believed the fugitives had
left the vicinity.

Until the inquest no information
will be given out regarding the death
of John Hancy, Tenino rancher, who
was shot Saturday night while pur-
suing a fugitive. It is thought pos-
sible that he was accidentally shot
by members of the posse.

MONEY COULDN'T
BUY GOOD IT DID

HERBERT GAINED TWENTY
THREE POUNDS—"I WILL
PRAISE TANLAC LONG AS I
LIVE."

"If it were possible for me to sell
the good Tanlac has done me, there
is not enough money in the uni-
verse to buy it," said A. Hebert, a
well known painter living at Alder
Wood Manor, Bothell, Wash., a few
days ago.

"To tell you the truth," continued
Mr. Hebert, "when I commenced
taking Tanlac I had doubts in my
mind as to whether I would ever be
able to do any more work. I had
been suffering from stomach trouble
for a good many years, and had
reached the point where everything
I ate disagreed with me. In addi-
tion to this, my kidneys gave me
lots of trouble, and I would have
the worst sort of pains in the small
of my back nearly all the time. This
pain in my back, together with
rheumatism in my shoulders inter-
fered a great deal with my work,
and I had to give up several differ-
ent jobs on account of it. My nerves
were in such bad condition that I
never got a good night's sleep. All
these troubles finally got me to
where I was hardly able to do my
work at all.

"Then I heard about Tanlac and
made up my mind to give it a trial.
Well, sir, I have just finished my
fifth bottle of this medicine, and I
have actually gained twenty-three
pounds, and never felt better in all
my life. I have a fine appetite and
can eat and digest anything I want.
The pains left my back, and my kid-
neys never give me any trouble at
all now. The rheumatism in my
shoulders is a thing of the past, too,
and my nerves have quieted down
until I sleep just fine every night.
I work hard every day, and when I
get home at night I feel so good that
I hardly ever bother about opening
the gate. I just jump over the fence.
Yes, sir, Tanlac did the work for me,
and I tell everybody I meet about it,
and I expect to pass the good word
along to others as long as I live."

Tanlac is sold in Klamath Falls
by the Star Drug Co., and in Lella
by the James Merc., Co.—Adv.

WORN NERVES

Nervous troubles, with backache,
dizzy spells, queer pains and irregu-
lar kidneys, give reason to suspect
kidney weakness and to try the reme-
dy that has helped your neighbors.
Ask your neighbor.

Mrs. M. E. Seville, Klamath Falls,
says: "I was subject to kidney dis-
orders for a great many years. I
had a weak feeling across the small
of my back all the time. I couldn't
stand very long as my back was so
lame. My kidneys were in a very
weak condition. I was so nervous
and restless that I had to get up in
the night and sit up for hours at a
time. My feet and ankles swelled
so badly, I could hardly get my shoes
on. I took about six boxes of Doan's
Kidney Pills and they cured me. Since
then, I have enjoyed splendid health."
Price 60c, at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that

PRIVATE OWNERSHIP

Superiority Demonstrated in World War

E. N. Hurley, who served throughout the war as chairman
of the United States Shipping Board, was asked what in his job
had impressed him most. He answered:

"The efficiency of private ownership and operation as com-
pared with public ownership and operation—ALL PRODUCTION
CENTERS ON THE COST—you can't get away from
that. Shift responsibility for the cost, for the best possible result
under a given set of circumstances and you shift the responsi-
bility for efficiency. On the Shipping Board, we shifted this responsi-
bility from private shipbuilding concerns to the Government.

"With the shifting of responsibility of cost to the Govern-
ment, that keen interest in results which follows private initiative
was gone. THERE YOU HAVE THE WHOLE PROBLEM AS
BETWEEN PUBLIC OWNERSHIP AND PRIVATE OWNERSHIP
STATED.

"I don't know of a government-owned plant that produces
more than two-thirds efficiency. In the years to come some way
may be found to keep incentive to best endeavor in men under
government ownership, but until that is discovered that system
may be classed as a failure."
