

## FINAL REPORT OF RED CROSS DRIVE RESULTS

Chairman Walton Prepares Statement Showing Returns by Precincts With Total of 2612—City Congratulated on Showing Made

George Walton, chairman of the third Red Cross roll call campaign in this county, has prepared a report showing results of the campaign, which, except for a few straggling subscriptions that are expected, is now closed. The report follows:

"In making this report I wish to express my sincere appreciation of the hearty response accorded to this cause by the corps of workers who put this over.

The statement below shows the returns by precincts and a comparison with last year. This statement does not include the returns received after the drive closed in either year.

"Red Cross Magazine subscriptions 3.

Donations, \$17.15. This item includes several subscriptions of less than \$1 and also amounts paid by members in excess of \$1, membership dues being only \$1.

"I have on hand several large window posters, 'The Spirit of America' and 'Join,' which I would be pleased to give while they last to members who would like to have them. These pictures are works of art and it is a pity to have them thrown away.

"Respectfully submitted,  
"GEO. J. WALTON, Chrm."

Mr. Walton has received a letter from Alfred Powers, director of publicity for the northwest division, commending the idea, originated here of sending out post-cards to persons inaccessible to personal canvass, and congratulating Klamath Falls on the results of the campaign. The letter says:

"I have your letter to Mr. Kilpatrick and also one of the cards which you have sent out in your chapter. This is such a good idea that I am sorry we were not resourceful enough to have had this in the beginning of the roll call to have passed it out to all of the chapters. I have no doubt that it will result in additional members.  
"I am glad to take this oppor-

## PORTLAND I. W. W. ARE INDICTED

PORTLAND, Nov. 20.—The county grand jury today indicted 22 alleged Industrial Workers of the World on a charge of criminal syndicalism. The men, who were arrested on the night of the Centralia murders, are said to be the first against whom charges of criminal syndicalism were returned in which membership in the I. W. W. was the basis for action.

## COAL SUPPLY IS DWINDLING FAST

CHICAGO, Nov. 20.—Regional directors of the railroads today had a free hand in the dealing with the curtailment of non-essential industries and unnecessary passenger traffic in an extraordinary effort to conserve the nation's steadily diminishing coal supply.

Except in West Virginia fields there was little hope of increased production.

DES MOINES, Ia., Nov. 20.—Governor Harding prepared a message today to the governors of other coal producing states, suggesting a conference at which the question of concerted action toward the resumption of mining under state control be discussed.

DENVER, Nov. 20.—The industrial commission of Colorado today moved to stop the new strike of Colorado coal miners scheduled for tomorrow, when it invited representatives of the operators and miners to a conference here. Both sides accepted.

## JAPANESE MAKE LARGE PURCHASE OF TULE LAND

Approximately 1200 acres of tule land in the Midland district owned by L. Jacobs is involved in a sale to three Japanese recorded yesterday.

The buyers are G. Kawanye, who purchased 209.85 acres; Y. Moriyee, who takes 391.70 acres, and A. Yamaguchi, who bought 758.83 acres.

This makes the second lot of land disposed of by Jacobs to Japanese and places them in control of the Midland land.

Another big sale was made to a Chinese corporation about two months ago, in which three or four thousand acres were transferred.

The Japanese are making preparations to go to farming with vigor in the spring, it is said.

Yamaguchi already owns a house in the south Midland addition to the townsite and has bought an adjoining lot from C. R. De Lap with some old buildings on it.

## PARENT-TEACHERS WILL HOLD SESSION TOMORROW

The Parent-Teachers association will hold an important meeting tomorrow afternoon at 4 o'clock at the high school. On account of the importance of the business to be transacted a full attendance is desired.

## WEATHER REPORT

OREGON—Tonight cloudy in west, fair in east portion. Friday rain west, fair east portion, moderate south east winds.

Opportunity to congratulate you on the excellent showing that Klamath Falls has made in this roll call. You are going to divide the honors for approaching the membership of last year in Oregon with the Astoria chapter, with the advantage, I believe, a little bit in your favor."

## SENATE QUILTS WITH TREATY UNRATIFIED

WASHINGTON, D. C., Nov. 20.—The Senate adjourned last night without ratifying the peace treaty.

PARIS, Nov. 20.—Adjournment of the United States Senate without ratification of the peace treaty created much surprise in the peace conference circles here, as Washington dispatches had suggested that some compromise was possible.

WASHINGTON, D. C., Nov. 20.—The fate of the peace treaty with Germany and the League of Nations, as far as the United States Senate is concerned, is today again in the hands of President Wilson.

The failure yesterday and last night of all efforts to have the treaty ratified in some form by the Senate brought the situation back to the point where it was six months ago when the pact was first submitted to the Senate and technically peace is no nearer than it was on the day when the armistice was signed more than a year ago.

Although not technically changing existing relations between United States and Germany, the Senate's failure to ratify the peace treaty is expected by administration officials and diplomats to have indirect results of some importance on the steps now being taken to restore the world to a peace basis.

One of the first consequences, according to the view taken here is likely to be hastening of negotiations at Paris to restore full commercial and diplomatic relations between Germany and the powers that have ratified the treaty.

WASHINGTON, D. C., Nov. 20.—President Wilson will have no statement to make on the failure of the Senate to ratify the peace treaty, it was said at the White House today.

## DAUGHTER IS BORN TO MR. AND MRS. EDWARDS

Friends here will be delighted to learn of the arrival of a little daughter in the home of Mr. and Mrs. E. J. Edwards of Corvallis, Oregon. She has been named Eunice Jessie. Mrs. Edwards was formerly Miss Jessie Telford and spent most of her life in this city, graduating from the local high school.

## NEW INDUSTRIAL CONFERENCE TO MEET DEC. 1ST

WASHINGTON, D. C., Nov. 20.—President Wilson today appointed a new industrial conference and called it into session here December 1. The conference is to be composed of seventeen men, including government officials, business men, former members of the cabinet and former governors of states.

The new conference will undertake to carry on the work of the former national industrial conference, which founded on the rock of collective bargaining before reaching any definite accomplishment.

## LOCAL LABOR CONDEMNS I.W.W.

A resolution deploring the murder of ex-service men by alleged I. W. W. members recently at Centralia, was unanimously adopted by the Klamath Falls Labor council at its last meeting, as follows:

Be It Resolved, That this Klamath Falls Central Labor council, in regular session, denounces the outrage perpetrated at Centralia, Washington, on Armistice Day, 1919; and be it further

Resolved, That this council unqualifiedly condemns the activities of any organization having for its purpose, whether avowed or concealed, the overthrow or destruction of our government. We realize full well that these same irresponsibles are doing their utmost to tear down and destroy what it has taken many years of patient effort and sacrifice to build up, by the real organized labor movement of the United States, viz: The American Federation of Labor; and be it further Resolved, That copies of this resolution be sent to the press and to such other agencies as will give the most widespread publicity to our statement and our attitude.

## PRIEST FUNERAL TOMORROW

The funeral of the late Francis Marion Priest, who died as the result of injuries received in a runaway accident, will be held tomorrow afternoon at 2 o'clock from Whitlock's chapel. The burial will take place in the local cemetery.

## POLITE BANDIT SENDS THANKS

CASPER, Wyo., Nov. 20.—William Carlisle, train bandit, entered the Western Union office here this morning and filed a message to the Union Pacific thanking them for the haul made from passengers in a holdup of one of the Union Pacific's trains Tuesday night.

## PRECINCT LINES TO BE REDRAWN

An entire redistricting of city precincts, made necessary by recent legislative action, effective January 1, providing for the holding of city and county elections at the same time and place thereafter in cities of more than 2000 and necessitating conformance of boundary lines of precincts within the city limits, will be begun at once by the county court and city council.

The change will operate to increase the number of precincts inside the city from 10 to probably 14. Some of the present precincts are too heavily populated and will be split up, and precincts on the edges of the city, at present lapping over the city boundary, will have to be rearranged so as to bring them inside the limits.

To take care of voters just outside the city limits on the west, it is proposed to establish a new outside precinct, called Orindale, from territory in the direction of Keno, and on the south a new precinct, called Altamont, and in that direction, will be made.

Other changes may be found necessary when the maps are spread out and the re-districting committee gets down to the actual work of drawing boundary lines.

## COUNCIL ELECTS VICE-PRESIDENT

At the regular meeting Monday night of the Klamath Falls Central Labor council, H. Inman, a member of the painters' organization, was elected vice-president of the council.

The boxmakers' union reiterated its desire to submit wage differences to arbitration. The union has laid its claims before the state conciliation board. It alleges that under similar living conditions at Bend the conciliation board recently fixed the minimum wage at 4.80 for eight hours and is asking the same scale here. The present minimum here, the union asserts, is \$3.50.

Conditions were reported satisfactory by representatives of the carpenters' union.

Laundry workers reported the signing of a new and satisfactory agreement with the Superior laundry, which employs all white help and, according to the organization report, believes that Asiatic competition should be discouraged by all who have the interest of the white race at heart.

The painters' union has signed a new agreement, carrying a wage increase and satisfactory to both employers and employes. The employes agreed to protect the employers in all existing contracts by working on the old scale on all work uncompleted at the time the agreement was reached.

The retail clerks' union reported that several firms had signed the union agreement and were displaying the union card. It was asserted that many union men were transferring their accounts to these stores, under obligation to patronize the union label.

## VIOLINIST FORBIDDEN TO GIVE CONCERT

LOUISVILLE, Nov. 20.—Fritz Kreisler, Austrian violinist, was today forbidden by the mayor to give his proposed concert at one of the leading theatres here tonight and his contract was cancelled.

## REVOLUTION IS CHECKED AFTER HARD FIGHTING

Government Forces Control Vladivostok—Rebel Leader Wounded and Troops Dispersed—Heavy Fighting in Encounter

VLADIVSTOK, Nov. 20.—Revolutionary forces which for the last two days have been attempting to gain control of the city were utterly defeated by government troops today.

General Gaida, leader of the revolutionary army, was wounded and taken prisoner, and his followers were driven from every point of vantage by the concerted onslaught of the government soldiers.

Despite the firing of large quantities of ammunition the casualties were comparatively light. There was much fighting in all parts of the city, and especially warm encounters in the vicinity of the railway station, where were more than 5000 rounds of ammunition were fired during the engagement.

The American Red Cross is caring for 58 soldiers who were wounded during the conflict.

It is reported here that a similar uprising has occurred at Chita, in the trans-Baikal region.

## NOEL'S TEAM WINS, SETS HIGH MARK

Close scores marked the contest last night between Mason's and Noel's bowlers on the Elks' alleys, in which the latter players triumphed, two out of three. In the third game Noel's men scored 213 pins, one above the previous record set by Carter's team Monday. There will be no contest tonight on account of lodge meeting. Tomorrow night Lavenik's and Houston's teams are contestants. Last night's scores were:

Noel's—	1st	2nd	3rd	Tot.
Jester	204	153	217	574
Ambrose	176	227	168	571

## COURT DISMISSES SUITS

Suit for annulment of the marriage of Lena M. Crowder, formerly Lena M. Vaughn, and John R. Crowder, on petition filed by the former, was dismissed yesterday by Judge Kuykendall, the court finding that the marriage was legal under the law prescribing the time after divorce when another marriage may be entered into.

Suits of Maurice, Mike and Pat Quinlan against Peter Murphy and a counter-suit of Murphy against the Quinlans were dismissed on stipulation of the opposing attorneys, indicating that the differences, which arose out of alleged trespasses, have been adjusted.

## BANK SUING TO RECOVER ON PROMISSORY NOTES

The First National bank has begun suit in the circuit court against George Weiss and J. H. Short to recover \$150 alleged to be due on one promissory note and \$106.13 on another, with interest, attorney's fees and costs. Short endorsed the notes as security for their payment, it is alleged. The bank is also suing Clay Howell and George W. Howell to collect \$133, interest, fees and costs.

Nearly two centuries ago one of the greatest towns in Belgium had a woman for its chief magistrate. The experiment took place in Namur in 1736, where Madame Maloteau was for over two years burgomaster.
