DANCE POSTPONED Due to the pressure of business and other demands of the holiday season, the Elks have decided to postpone their dance which was to have been held tomorrow evening, until the New Year's eve, when the disappointment of those who had contemplated attending the function will be more than removed, for they are planning one of the best dances of the lodge's history on that date. The whipping of women for petty offenses was by no means an uncommon thing in Virginia fifty years ago.

Don't Lose Your Opportunity

I can offer you the Greatest Opportunity of a Life Time. Here is a chance for the small investor! For the man or woman who always wanted to own a few acres of land! Something they could handle themselves! Cultivate themselves, or have cultivated for them. Within 10 miles of Klamath Falls, on the railroad, I will give you the chance to purchase in 10-acre tracts. Rich reclaimed Delta Land, which is classed among the richest on the Pacific Coast, every inch of which is productive. Think what a Christmas present this would make! One acre planted in celery will produce \$1,500, or plant in potatoes or onions. Help yourself pull down the high cost of living. I have sold 12,000 acres in the past two months in large blocks to the most discriminating experts in land. At the request of a number of our people of Klamath Falls, I have reserved a few 10-acre tracts to give the small investor a chance to purchase on easy terms. Call 622 Main St., phone 72, or Room 311 White Pelican Hotel and I will be glad to call and explain this plan to you. L. JACOBS.
