DRIVING HOME THE FACT THAT WE GIVE SERVICE AND QUALITY

The first thing to the success of a cafe lies in the fact that you must have service and quality. We give you these. What irritates a person often lies in the fact that they have to wait so long before getting service. In our service system we do away with the long wait and give you the service with excellent food that will drive away your worries.

Eggs that appear in operas are always cowardly—they hit and run. And speaking of eggs and operas—those used in New York recently on a German opera company were of the pre-war variety. The eggs—we mean. And now that the flying parson has won the cross-country derby a friend informs us that he may be a bird of prey. The latest bit of royal scandal we have heard is that King Albert failed to salute his majesty, the traffic cop.

The market for husbands is still high—when one of them is struck by a train. It's hard to feel comfortable and satisfied if you have bad habits, and if you haven't them no one else is satisfied or comfortable either. It's a strange quirk of human nature that makes an old man go out of his way to put a young 'un on the wrong path. The English are getting ready to try the ex-Kaiser. Well, no one wants to mess in family affairs, so let them do it.

- 6. What else does the League propose to do for Mankind?**
A. (1) Secure fair treatment for labor, (2) suppress the White Slave Traffic, the sale of dangerous Drugs, and the traffic in War Munitions, (3) control and prevent Disease, (4) promote the work of the Red Cross, and (5) establish International Bureaus for other Causes that concern the human race.

This is to be a "sacred trust," and in selecting a mandatary the wishes of the people of the area in question shall be the principal consideration.
- 11. Does the League mean a Supremacy?**
A. No. It interferes in no way with any Nation's Sovereignty, except to limit its power to attack other nations.

WORLD STILL DOES BUSINESS AT OLD STAND

NEW YORK, Dec. 18.—Great astonishment was expressed by the superstitious when the earth failed to come to an end yesterday as the result of an ominous position of planets. Widely press-agented publicity had maintained such a catastrophe was due yesterday.

loud, long weird shrieking whistle, then others less strident, joined finally by practically all the sirens in the city, mingled with ringing of a number of bells, broke the stillness early yesterday.

"Guess it's the notice of the end of the world," said one woman, who announced she was going to church. It developed later that the throttle of a whistle at the railroad roundhouse became stuck. Other whistles joined in the uproar without any definite reason.

"Business as usual," was the slogan in Klamath Falls yesterday in the face of the prophesied calamity that was to end the world's existence. While a topic of conversation in places, no one seemed to take the

matter seriously and no noticeable surprise or relief was manifested when the day passed uneventfully.

We've heard of palsied players and stuttering men playing cornets, but the idea of an armless man shaking his fist at us certainly got our goat.

The Germans have displayed little progress since the armistice. Why, only the other day the report came from Riga that they were using the same old poison gas.

The best way to operate a steering gear with success is to keep the gear well oiled and the steerer honed.
