JUST LIVED IN DREAD, SHE SAYS

AFTER FORTY YEARS SUFFERING MRS. MAHONEY FINDS RELIEF BY TAKING TANLAC.

"There is no statement that I can make that would be strong enough to express how thankful myself and husband are for Tanlac," said Mrs. C. Mahoney at her home at No. 2260 East 15th St., Los Angeles. "Tanlac has restored my health after forty years of suffering," she continued. "It is the grandest medicine in the world."

"All my life I have had no real appetite and had to be very careful what I ate for gas would fill me up and seem to press on my heart terribly."

"For the past few years I have had no peace at all and was in pain nearly every minute and my condition became so serious I could get no rest or sleep. I just lived on tea and would sit down at the table three times a day with only a cup of tea for a meal and never a bite of solid food at all, once in a while a glass of milk, but that was all. Even a bite of bread would cause me such agony I could hardly endure it."

"I tried every sort of medicine or treatment any one would suggest but got no relief whatever. In fact nearly all the medicine I took came right back up again and left my stomach more irritated and painful than ever. I was so sick and miserable I was in dread all the time. It was terrible."

"My husband had been taking Tanlac and had been so much benefited by it that one day when I was so bad off he urged me to take a dose, which I did. I was greatly surprised to find that it stayed on my stomach and instead of nauseating me seemed to soothe me. I have now taken four bottles and I don't hesitate to say that it is the finest stomach medicine made for every bit of the gas and pain are gone from my stomach and I don't have palpitation of the heart any more. I am eating more now than I ever did in my life before and I relish every bit of it. I don't have the slightest discomfort after eating, either, and I have gained a lot of weight. Positively I feel better than I ever did in my whole life."

"My husband and I just bless the day I heard of Tanlac and as I said before no statement I could make would be strong enough to express our gratitude for it."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorella by the James Merc. Co.—Adv.
