According to an ancient Irish superstition a vicious horse could be used to whispering the Creed in its right ear Friday and in its left ear on Wednesday till it was cured, which was merely a matter of time unless it had been born at Whitsun tide, in which case it was incurable.

The influence of blood in the human body, as it circulates is normally six miles per hour.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts if your back hurts or bladder troubles you.

No man or woman who eats meat regularly can make a mistake by pushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment irregular of passage or attended by a sensation of scalding, stop eating meat and get eight four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure thereby avoiding serious kidney complications.

Salad Jell

Lime Jiffy-Jell is flavored with lime-fruit essence in a vial. It makes a tart, green salad jell.

Jiffy-Jell desserts are flavored with fruit-juice essences, highly condensed, sealed in glass.

Each dessert tastes like a fresh-fruit dainty—and it is.

You will change from old-style gelatine dainties when you once try Jiffy-Jell. Millions have changed already.

WILDCAT PROMOTERS SWINDLE THOUSANDS

WHITTA FALLS, Tex. Jan. 2.—Expressing his belief that "millions of dollars had been swindled by Wildcat promoters since the Wichita oil fields had been opened," Judge William N. Bonner, in charging the grand jury empaneled in the Thirtieth district court, ordered a complete investigation of alleged illicit all transactions, including both lease and share sales.

Judge Bonner declared "thousands of people throughout the United States, many of them poor people working by salary, have been swindled out of their hard-earned money by smooth-tongued lease and share salesmen."

H. P. Shepherd was named foreman of the grand jury which began its work at once.

LADIES DARKEN YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND SULPHUR RECIPE AND NOBODY WILL KNOW

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Few Drops of "Freezone," Then Lift Corn Right Off

A tiny bottle of "Freezone" costs so little at any drug store; apply a few drops upon any corn or callus. Instantly it stops hurting, then shortly you will find that bothersome corn or callus right off with your fingers. Truly—No humbug!

WHAT IS IT?

It is the best paying class of advertising in the world if you have something to sell that belongs among little ads that you find in The Herald.

JUST TRY IT ONCE

If you have something in your attic, your basement, your spare room, your barn, around you anywhere that you want to sell, try The Herald classified ads and you will find a buyer.

IF YOU WANT SOMETHING

Advertise for it, trying The Herald's classified ads. Someone has something for sale that you want. Let The Herald find it for you. It costs you but a few cents a day.

Classified ads cost you 5 cents a line a day—five words to the line. They must be paid for in advance and cannot be received over the telephone—that is why they are so cheap.
