

Thrift and Little Things

Who are the men and women that become masters over great things? They are those who first of all become masters over little things.

Dollar bills and silver dimes are only little things, so little that they often trickle away in every direction—and yet they have formed the solid foundation for many a comfortable income through the following slogan:

"DON'T WASTE! SAVE!"

SHASTA VIEW NOTES

Roy Fogle recently purchased a new automobile.

Mrs. J. A. McComb left Monday of last week for a two months' visit with relatives in Los Angeles.

L. S. Miller and wife started Saturday to spend the winter with Mr. Miller's brother and family in Kentucky.

Mrs. O. E. Hunt spent Saturday at Mr. Lattah's, near Klamath Falls with her mother, who is visiting there. Mr. Hunt went on to the Falls on business.

A most enjoyable day was passed Wednesday, when 56 neighbors and friends of W. H. Chandler met at his home to help him celebrate another birthday. The day was perfect, dinner sumptuous, everybody seemed happy and the day will be long remembered by all present.

Both teachers and pupils are to be congratulated on the success of the play, "The Bird's Christmas Carol," which was given at the Shasta View school house recently by the pupils. Each one acted his part so well that special mention could not justly be made of any one. We have seen many of more mature years who could not do better, and we are pleased to know that we have such talent in our district.

Friends here have received word from Mr. and Mrs. J. L. Hale, who arrived to Hood River last year, that the mercury registered 20 below zero and they also have plenty of snow, both of which is quite unusual in that valley.

WAS IN POOR HEALTH TWELVE YEARS—SIX OF WHICH HE COULDN'T WORK

"I have gained twenty-five pounds in weight and am just as full of energy and as strong as I ever was since I began taking Tanlac," said G. I. Bickell, who resides at 4458 Louisiana Street, San Diego, Cal., recently. Mr. Bickell is the father of the publisher of the Faulkton Advocate, Faulkton, S. Dak., in which he resided before coming to California. Continuing, he said:

"Twelve years ago while in Mitchell, S. Dak., I suffered a general breakdown. It just seemed that my whole physical machinery went wrong all at once. I lost in weight very rapidly, and, of course, my strength went also. I had scarcely any appetite and became so nervous I could get but little sleep. I was also badly constipated, and had to be taking some kind of laxative all the time. I finally became so weak and run down I just had to quit work entirely and for six long years I was unable to do a thing.

"I had tried lots of different kinds of medicines, but none of them did me any good, and I went to Denver, Colo., in search of health, and while there I began to read about the good Tanlac was doing, and one case I read of was so similar to mine I decided to try it, and shortly after I began taking it I began to feel stronger and to pick up in weight, and my appetite began to improve. In all I took eight bottles of Tanlac while in Denver, and the way it built me up was remarkable. I was soon able to go to work again, and I worked steady for sixteen months, and then came here to San Diego, and am working every day, and feel fine and strong and am not a bit nervous, and am never troubled with constipation any more. It is a pleasure to recommend Tanlac, when it did so much for me, and I advise every one to take it who is in the same condition I was."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorella by the James Merc. Co.—Adv.

THE UNIVERSAL CAR
Demand Continues to Increase

According to information from the office of the Ford Motor Co., Detroit, their unfilled orders are continually increasing and have long since ceased to be reckoned by the thousands, but are now a matter of hundreds of thousands and the present demand is not being met.

Winter brings a slight decline in the number of sales, so we are advising prospective spring purchasers to buy now. Nothing but real orders will bring the cars to our territory. We, therefore, suggest that you place your order with us as early as it is convenient for you to do so to insure the delivery in the spring.
