CLASSIFIED ADVERTISING

WHAT IS IT?

It is the best paying class of advertising in the world if you have something to sell that belongs among little ads that you find in The Herald.

JUST TRY IT ONCE

If you have something in your attic, your basement, your spare room, your barn, around you anywhere that you want to sell, try The Herald classified ads and you will find a buyer.

IF YOU WANT SOMETHING

Advertise for it, trying The Herald's classified ads. Someone has something for sale that you want. Let The Herald find it for you. It costs you but a few cents a day.

Classified ads cost you 5 cents a line a day—five words to the line. They must be paid for in advance and cannot be received over the telephone—that is why they are so cheap.

ASHURST GAINS SOME SUPPORT FOR MEASURE

WASHINGTON, Jan. 3.—Edward B. Ashurst, of Klamath Falls, Ore., has arrived here to urge the Indian office to open the large area of unallotted timber lands on the Klamath Indian reservation. He will be joined in a few days by a delegation of Indians who are coming to support his plea in their behalf.

When the reservation was allotted some years ago, several Indians who had asked for grazing and agricultural lands changed their request to timber lands. While they were counting on being allotted timber lands all of the agricultural and grazing lands were disposed of in allotments to other Indians. The government then decided to make no further allotments of timber lands than some which had been previously made. This decision left 67 Indians without any kind of lands, and it is said, they suffered hardships because they could not obtain their share of tribal funds.

Mr. Ashurst asks that the Indians who received no lands be allotted from the remaining timber lands tracts of value equal to the best agricultural allotments made to other Indians. The Ashurst proposal has evoked some sympathy here. Representative Hawley is inclined to give it strong support because he asserts that the Klamath Indians have not received fair treatment in the allotment of their lands and that many have been made to suffer because they could receive neither money nor the lands due them.

Of Spain's population about one-fifteenth are nobles, of whom four-fifths are either paupers or on the verge of poverty.

TAKES SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-achy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
