| Doclating it to be a "tundamental | from Great Britain, the Premier said | ract:" deespite these conditions, that

"Ireland has never rom British never been so allenated Mr. Lloyd George sald there was al other tact just as fundemental Hon of the people of Ireland who are majority op Irishmen are to British rale. Both these facts must be
taken into account. In the north caken into account. In the north
east of Ireland you have a populain race, sympathy, peopulation, alien
in trad tion, outlook, from the restigion, of
population of population of Ireland, and it would
be an outrage on the principle of
self-government to place them self-government to place them un-
der the rule of the remainder of the
population. In the northeast of Ireland, if that were done, you would inevitably alienate the best elements
from the machinery of law and
order. I don't say it would produce romer I mosh say it would produce
order.
the same results, but it would recreate exactly the same conditions
which you are trying to remedy in
the south and wi" Mr. Lloyd George sald the fallure of the self-government act of 1914
o deal with "the peculiar position
of Ulster" was largely the reason or the deoision of the governmen o make changes in this Home Rule
plan. He pretaced the statement appeared to have no triends. In Bupport of his position that to
orce union of Ireland upon Ulster ould be unjustifiable, the Premier
$\qquad$ a former vice-president of the protessor of Theology in Maynooth
$\qquad$ onted as having asked in 1916: "It gree to the exelusion of the Unionst part of Ulater what case have we put before the world?" and also
have declared, "We are anxious to cart where England left off and to by force." Mr. Lloyd George read from a Which the latter was sald to have marked: "Were Ireland made a reublic fully independent of a re-
