CAUGHT WITH THE GOODS.

Well, here we are shown up in our true character. It looked for awhile as if we were going to get away with this Reservation opening without being found out. Yet, lo and behold, here is old Sherlock J. W. Sherwood, who has been in our very midst and caught us red-handed in our infamy. He was fortunately able to get over into the purified air of the Rogue River valley before getting contaminated and has exposed us to the cruel eyes of the world. Of course, our entire plans are now wrecked and we will have to sit tight and wait until the public has forgotten the matter. We may then be able to slip this over. Representative Sinnott has not been heard from as to whether or not he has withdrawn his bill, but it is hoped that he will not be run out of Congress for his activity in this matter. Sherlock certainly got the goods on us "crafty whites."

The entire exposure is given in a letter to the Oregon Journal and printed in the issue of last Saturday. It follows:

The Klamath Reservation Matter. Medford, Jan. 5.—To the Editor of

The Journal—I am not in accord with your editorial in The Sunday Journal of January 4 regarding the opening of the Klamath Indian reservation. What would you do with the 2000 Indians on this reservation, and to whom this land belongs? In order to open it to settlement it would be necessary to patent the land to individual owners (Indians) and allow them to sell it. The Indians, as a rule, are wholly incapable of managing their own affairs and to do this would be a crime against the Indian, as most of them would soon become destitute and a burden on the country.

I am a frequent visitor to Klamath county and know how at the present time the Indians are being taken advantage of by crafty whites, particularly livestock dealers, and from the best information I can obtain there the principal advocates of the opening of the reservation are those who expect to gain for themselves by it. The good of the Indian seems to be entirely forgotten in the mad desire of a few people to exploit the resources belonging to the Indians.

J. W. SHERWOOD.
Referring to the incapability of the Klamath Indians, we just suggest that Mr. Sherwood trade horses with one of them.

AT THE THEATERS

There is one more chance to see "When Bearcat Went Dry" for the Liberty will hold the picture for Tuesday showing. The last performance begins at 9:10 tonight. Of course there is the usual first show which starts at 7:10 tonight on account of the length of the program. The show starts with an excellent comedy and is followed by "Prima," the new color photoplay, and since the subject is Trout, it is very interesting to the sportsmen of the city.

The Mondale theatre is going to be host to the people of Klamath county Wednesday and Thursday nights. "Everything in the house is free," is the slogan for these two nights, because the management wants the people of this section to see the great transformation that has been made. The cause of this liberality is a desire to show the people that "real machines have been installed and that they will deliver the pictures to the screen in a manner that will be above criticism. The pictures for these two nights indicate the high quality of the pictures that are to be shown in this house. "Dangerous Affair" is a Hallmark picture of the highest quality. With this will be shown one of Fatty Arbuckle, and when this is told it is sufficient to cause the "standing room only" sign to go out, not matter what price might be charged. But there is to be no charge on these two nights—the admission being free.

CROWD ENJOYS CHURCH PAGEANT

The Christian church was filled to the doors Sunday evening, to witness the dramatization of the history of the Christian Women's Board of Missions, from its beginning in 1874 to the unification of all the missionary societies of the Christian church in October, 1919.

Miss Edith Simon, who impersonated the spirit of the Christian Women's Board of Missions, was beautifully costumed in white and lavender, against a black background. She very gracefully gave the lines for the dramatization of the pageant.

Miss Hinojosa, who represented the "Spirit of Prayer," was costumed in a Grecian robe trimmed in gold bands. The Pioneer Missionary Workers were represented by four women in the costumes of 1874, followed by the workers of 1880, represented by eight men and women, who impersonated the first workers sent to foreign fields.

The inauguration of the Junior Christian Endeavor Society, which has always contributed to the work of the Christian Women's Board of Missions, was exemplified in a scene in which thirty children took part.

The educational and medical work carried on by this women's organization were impersonated by young people costumed to represent the different fields, and by a scene representing a missionary and nurses attending to the needs of the diseased heathen.

Beautiful music was rendered throughout the evening by a male chorus, consisting of fourteen voices. Mrs. J. L. Beckley had charge of the music. During the singing of "Kindly Light," by Geo. Hayden, pennants representing the six missionary organizations of the Christian church were held in a manner to form one long pennant. Under a spotlight, this made a very effective scene.

A vocal duet by Earl and Alice Carson was enjoyed. Mrs. E. J. Mayer, the president of the Auxiliary to Christian Women's Board of Missions, gave a report of the splendid work the local society is doing. Mrs. Mayer managed the pageant and directed the rehearsals, and much of the success of the pageant was due her untiring efforts. A generous contribution was received for the advancement of foreign missions.

YOUNG PEOPLE ARE JOINED IN WEDLOCK

Riley Augustus Breuner, an employe of the Euwasa Box Company, and Miss Virginia Bryant, popular daughter of Mrs. W. E. Bodoon, were married at the home of Mr. and Mrs. Bodoon on the West Side, Saturday afternoon, by the Rev. F. C. Trimble. They will make their home in this city.

The bride was born in Klamath county and has resided in this city for a number of years, attending school here. Her circle of acquaintance is a large one and many friends will join in wishing both bride and bridegroom long years of unalloyed happiness.

Mr. Breuner is a nephew of the well-known California merchant, John Breuner, whose chain of big department stores is scattered through all leading California cities.

ACTIVE CAMPAIGN FOR PIPE ORGAN

An active campaign to raise the remainder of the \$4000 needed for the pipe organ for the new Presbyterian church will be undertaken at once by the pipe organ fund committee. So far all contributions have been voluntary and there is about \$1700 in the fund.

An organ has been chosen, manufactured by the Moeller company of Hagerstown, Maryland, and the order will be placed as soon as sufficient money is on hand.

The committee in charge of the campaign and choice of the organ consists of the Rev. M. P. Lawrence, A. M. Collier, Miss Augusta Parker, Mrs. Borge Mason and Mrs. Bert C. Thomas, with Mr. and Mrs. C. W. Eberlein, because of their experience in such matters, acting in an advisory capacity.

HOUSE PASSES WORKERS' BILLS

SALEM, Jan. 13.—The first bill introduced today in the senate was offered by Senator Eberhard of La Grande, entitled "an act making it unlawful to exhibit motion pictures which depict a felony under the Oregon laws."

The house unanimously passed House Bill No. 1, returning to the Industrial Accident Commission \$400,000 recently set aside for the construction of an industrial hospital. The people of the state recently voted against the construction of the hospital as proposed by the 1919 legislature.

Under the provisions of House Bill No. 2, which was adopted by the house and immediately transmitted to the senate, the compensation rates for injured workmen in Oregon were increased 30 per cent.

EASTERN MEN HERF LOOKING LAND OVER

Gustave Gross, recently from South Dakota, didn't like the climate at Eugene, where he located for a while after his arrival from the East. It rained too much to suit him. He expects to find Klamath county more to his liking and is looking around for a ranch.

On his way here from Eugene, Mr. Gross made the acquaintance of William Richter, a North Dakota rancher, who is also on the Coast looking for a location. Mr. Richter was prevailed upon by Gross to abandon his trip to California long enough to look Klamath county over and as a result both are likely to become residents of this county if they find land to their liking.

It is said that all the soldiers in the armies of Sweden and Denmark can read and write.

REVIVAL SERVICE PLEASES PASTOR

The evangelistic services at the Methodist church are attracting favorable comment from clergy and laity alike. The Rev. F. C. Trimble, pastor of the Christian church, who was in attendance last night, stated his impressions today as follows:

"The revival meeting now in progress at the Methodist church, is growing in attendance and in interest. The house was filled at all the services Sunday and on Monday night there was a good audience, and much interest was manifested. The gospel singer, A. H. Johnston of Dayton, Ohio, is a great leader and an impressive solo singer. He is supported by a good choir. The evangelist, Dr. Danford, is a strong gospel preacher. Without any attempt he is often humorous, and frequently is very pathetic and always scriptural and logical.

"The meetings will continue over next Sunday, and no doubt great good will be accomplished this week."
